Building Act 1993

No. 126 of 1993

Version incorporating amendments as at
1 July 2012

PART 1—PRELIMINARY

1 Purposes

The main purposes of this Act are—

- (a) to regulate building work and building standards; and
- (b) to provide for the accreditation of building products, construction methods, building components and building systems; and
- (c) to provide an efficient and effective system for issuing building and occupancy permits and administering and enforcing related building and safety matters and resolving building disputes; and
- (d) to regulate building practitioners and plumbers; and
- (e) to regulate plumbing work and plumbing standards; and
- (f) to provide for the accreditation, certification and authorisation of plumbing work, products and materials; and
- (g) to regulate cooling tower systems; and
- (h) to limit the periods within which building actions and plumbing actions may be brought.

S. 1
substituted by
No. 54/2007
s. 3.

2 Commencement

- (1) Section 1 and this section come into operation on the day on which this Act receives the Royal Assent.
- (2) The remaining provisions of this Act come into operation on a day or days to be proclaimed.
- (3) If a provision referred to in subsection (2) does not come into operation before 1 March 1995, it comes into operation on that date.

 - (e) to facilitate the cost effective construction and maintenance of buildings and plumbing systems;
 - (f) to facilitate the construction of environmentally and energy efficient buildings;
 - (g) to aid the achievement of an efficient and competitive building and plumbing industry.
- (2) It is the intention of Parliament that in the administration of this Act regard should be had to the objectives set out in subsection (1).

5 Application to Crown and public authorities

Except to the extent set out in Division 6 of Part 12, this Act does not bind the Crown in right of the State of Victoria or a public authority.

6 Appointed days—building practitioners⁵

- (1) The Minister, by notice published in the Government Gazette, may appoint a day or days on which the provisions of this Act relating to building practitioners apply to all building practitioners or any specified class or category of building practitioners.
- (2) The day appointed for any class or category of building practitioners must not be later than 1 January 1996.
- (3) Despite anything to the contrary in this Act, a provision of this Act relating to building practitioners only applies to a class or category of building practitioners specified in a notice under

subsection (1) on and from the appointed day for that class or category.

(4) This section does not apply to Part 9.

PART 2—BUILDING STANDARDS

7 Building regulations

- (1) The Governor in Council may make regulations for or with respect to prohibiting or regulating—
 - (a) the construction, use, maintenance, demolition and removal of buildings;
 - (b) any matter relating to the safety of buildings and places of public entertainment;
 - (c) the use and maintenance of places of public entertainment.
- (2) Without limiting the generality of subsection (1), regulations under this Part may—
 - (a) provide for any matters set out in Part 1 of Schedule 1; and
 - (b) establish standards and requirements relating to any matter referred to in subsection (1)(a), (b) or (c) or Part 1 of Schedule 1; and
 - (c) require the carrying out of building work and maintenance on existing buildings and building work.
- (3) The standards established by the regulations may be expressed in terms of performance, types of material, methods of construction or in other terms.
- (4) The regulations may provide for buildings constructed with particular materials, designs or methods of construction to be deemed to satisfy the prescribed standards.
- (5) The regulations may apply to existing buildings, whether or not building work is being or is proposed to be carried out on those buildings.

S. 7(1)(a)
amended by
No. 66/2004
s. 4.

8 Local laws

- (1) The building regulations may empower a council to make local laws for or with respect to any matter set out in Part 1 of Schedule 1.
- (2) The **Local Government Act 1989** applies in relation to the making, amendment or revocation of a local law under a power conferred by the building regulations as if the making, amendment or revocation of the local law was authorised under Part 5 of that Act.
- (3) A local law made in relation to a municipal district under a power conferred by the building regulations is deemed to be a building regulation in force in relation to the municipal district.

9 Incorporation by reference

- (1) The building regulations may apply, adopt or incorporate, either wholly or in part and with or without any modification, any matter contained in the Building Code of Australia or any other document as in force or as issued or published at a particular time or as in force or as issued or published from time to time.
- (2) Section 32 of the **Interpretation of Legislation Act 1984** does not apply to the application, adoption or incorporation by the building regulations of any matter contained in a planning scheme approved under the **Planning and Environment Act 1987**.

S. 9(2)
substituted by
No. 68/2001
s. 4(1).

9A Regulatory impact statement not required for certain amendments

- (1) This section applies if a particular building regulation applies, adopts or incorporates any matter contained in a planning scheme approved under the **Planning and Environment Act 1987**.

S. 9A
inserted by
No. 68/2001
s. 5.

-
- (2) Despite anything to the contrary in Part 2 of the **Subordinate Legislation Act 1994**, it is not necessary for the Minister to ensure that a regulatory impact statement is prepared in respect of that regulation.

10 Application of new building regulations to building work

- (1) A building regulation or an amendment to a building regulation, does not apply to the carrying out of any building work in accordance with a building permit existing immediately before the building regulation or amendment commences.
- (2) A building regulation, or an amendment to a building regulation, does not apply to the carrying out of building work if the relevant building surveyor is satisfied, and certifies in writing, that substantial progress was made on the design of the building before the building regulation or amendment commenced.
- (3) Subject to any determination of the Building Appeals Board, building work referred to in subsection (1) or (2) must be carried out in accordance with the provisions of any regulations, by-laws, local laws or enactments in force at the material times as if the building regulation or amendment had not come into operation.
- (4) Despite subsections (1) to (3), the relevant building surveyor and the owner of the building or land concerned may agree that a building regulation, or an amendment to a building regulation, is to apply to the carrying out of building work referred to in those subsections.

11 Effect of planning schemes

- (1) If a provision of a planning scheme under the **Planning and Environment Act 1987** regulates the siting of buildings in respect of a municipal district or part of a municipal district, any building regulation which also regulates that matter—
 - (a) if not inconsistent with that provision, must be complied with in addition to that provision;
 - (b) if inconsistent with that provision—
 - (i) so far as is practicable, must be read so as to resolve the inconsistency; and
 - (ii) subject to subparagraph (i), to the extent of the inconsistency, ceases to have effect in that municipal district or that part of the municipal district on the coming into operation of the provision of the planning scheme for the period that the provision is in force.
- (2) A council must publish notice in a newspaper circulating generally in its municipal district of the fact that a regulation under this Part has ceased to have effect in the municipal district or part of it.

12 Revocation of other regulations relating to building⁶

- (1) Despite anything to the contrary in any other Act, the Governor in Council, on the recommendation of the Minister, may revoke any statutory rule made under any other Act to the extent that it provides for a matter set out in Part 1 of Schedule 1.
- (2) Before a statutory rule which provides for a matter set out in Part 1 of Schedule 1 is made under another Act, the Minister administering that Act must refer the statutory rule to the Minister administering this Act for consideration.

-
- (3) The referral of a statutory rule under subsection (2) is not a condition precedent to the making of the rule.
 - (4) A failure to refer a statutory rule under subsection (2) does not affect the validity or operation of the rule but the rule may be revoked under subsection (1).

13 Effect on local laws

- (1) A local law made under Part 5 of the **Local Government Act 1989** has no force or effect to the extent that it provides for any matter set out in Part 1 of Schedule 1.
- (2) Subsection (1) does not apply to a local law made under the powers conferred by the building regulations.

14 Accreditation of building products

- (1) A building product, construction method, design, component or system connected with building work and accredited by the Building Regulations Advisory Committee or any other person or body prescribed for the purposes of this section is accredited for the purposes of this Act and the building regulations.
- (2) The accreditation is subject to any conditions or variations imposed by the Building Regulations Advisory Committee or the prescribed person or body from time to time and remains in force until the accreditation is revoked by the Committee, person or body.

15 Effect of accreditation

- (1) The building regulations may provide for the issue of certificates of accreditation for building products, construction methods, designs, components and systems accredited by the

Building Regulations Advisory Committee or a prescribed person or body.

- (2) The relevant building surveyor must not refuse to approve building work on the ground that any building product, construction method, design, component or system connected with the building work is unsatisfactory if the product, method, design, component or system is accredited by the Building Regulations Advisory Committee or a prescribed person or body and it complies with that accreditation.

15A Building regulations with respect to swimming pools and spas

S. 15A
inserted by
No. 68/2001
s. 6.

- (1) The Governor in Council may make regulations for or with respect to—
- (a) the construction, installation, maintenance and operation of swimming pools and spas and associated services; and
 - (b) the construction, installation, maintenance, operation and use of—
 - (i) equipment associated with swimming pools and spas, including safety equipment; and
 - (ii) swimming pool barriers and spa barriers and associated services.
- (2) Despite section 262(f), regulations made under subsection (1) may impose penalties not exceeding 50 penalty units for a contravention of those regulations.
-

PART 3—BUILDING PERMITS

Division 1—Building permit required

16 Building permit required

S. 16(1)
amended by
No. 33/2010
s. 3.

- (1) A person must not carry out building work unless a building permit in respect of the work has been issued and is in force under this Act and the work is carried out in accordance with this Act, the building regulations and the permit.

Penalty: 500 penalty units, in the case of a natural person.

2500 penalty units, in the case of a body corporate.

- (2) Subsection (1) does not apply to building work exempted by or under this Act or the regulations.

Division 2—Applications for building permits

17 Applications for building permits

An application for a building permit may be made to a municipal building surveyor or to a private building surveyor appointed under Part 6—

- (a) by or on behalf of the owner of the building or the owner of the land, in or on which the building work is to be carried out; or
- (b) if the land in or on which the building work is to be carried out is a lot of a kind referred to in section 9AA(1) of the **Sale of Land Act 1962**, by the purchaser under a contract for the sale of that lot.

18 Schedule 2 to apply

Schedule 2 applies in relation to an application for a building permit under this Part.

18A Notice to VicUrban of application

- (1) This section applies if—
- (a) an application for a building permit relates to the carrying out of building work on land in a project area within the meaning of the **Victorian Urban Development Authority Act 2003**; and
 - (b) a resolution is in force under Division 5A of Part 3 of that Act levying a general development charge or an infrastructure recovery charge in respect of that project area.

- (2) The relevant building surveyor must without delay—

- (a) notify the Urban Renewal Authority Victoria in writing of—
 - (i) the application; and
 - (ii) the cost of the building work calculated in accordance with section 201; and
 - (iii) any refusal of the application under section 201(6)(b) or 201(6)(c); and
 - (iv) any decision of the Building Appeals Board to modify the cost of the building work; and
- (b) provide the Urban Renewal Authority Victoria with a copy of any relevant planning permit that authorises both the construction of the buildings to which the building work relates and a subdivision of the land on which the building work is to be carried out.

18B Notice to Commissioner of State Revenue of application

- (1) This section applies if—
 - (a) an application for a building permit relates to the carrying out of building work on land in respect of which there is a GAIC recording (within the meaning of Part 9B of the **Planning and Environment Act 1987**); and
 - (b) the application is not an excluded event (within the meaning of section 201RB of that Act); and
 - (c) none of the circumstances described in section 201SA of that Act applies to the land.
- (2) The relevant building surveyor, within 14 days after receiving the application, must give a notice of the application to the Commissioner of State Revenue referred to in section 62 of the **Taxation Administration Act 1997**.
- (3) A notice under subsection (2) must contain the following information—
 - (a) a description of the land;
 - (b) a description of the building work specified in the application and the purpose of the building work;
 - (c) the date the application was made;
 - (d) the applicant's name and contact details;
 - (e) the name and contact details of any owner of the land, if the applicant is not the owner;
 - (f) the estimated value of the building work specified in the application.

Division 3—Decisions on building permits

19 Decision on application for building permit

- (1) The relevant building surveyor must decide an application for a building permit by—
 - (a) issuing the permit; or
 - (b) issuing the permit with conditions; or
 - (c) refusing the permit.
- (2) The regulations may prescribe a time within which the relevant building surveyor must decide an application for a building permit.
- (3) The relevant building surveyor is deemed to have refused a building permit if the application is not decided within the prescribed time.

20 Types of permit

A building permit may be—

- (a) a permit for the whole of the proposed building work; or
- (b) a permit for a stage of proposed building work.

21 Requirement for occupancy permit

- (1) The relevant building surveyor must specify in a building permit—
 - (a) whether an occupancy permit is required under subsection (2) in respect of the building work; and
 - (b) whether the occupancy permit is required for the whole or part of the building in respect of which the building work is carried out.
- (2) An occupancy permit is required in respect of all building work except—
 - (a) building work which the relevant building surveyor considers to be minor; or

- (b) building work which the relevant building surveyor considers does not compromise the suitability of the building for occupation; or
- (c) prescribed building work.

22 Guarantees and bonds

In prescribed circumstances, a building permit may be issued subject to a condition that the applicant deposit with the relevant council or, in the case of a permit issued by a private building surveyor, with the Commission—

- (a) a bond for an amount determined in accordance with the regulations; or
- (b) an undertaking to pay that amount together with a guarantee provided by a body that is permitted to use the expression "bank" under section 66 of the Banking Act 1959 of the Commonwealth—

to secure the complete and satisfactory carrying out of the work authorised by the building permit.

23 Reporting authority to be notified of permit

If the relevant building surveyor issues a building permit which differs from or fails to implement the recommendations in a reporting authority's report under Schedule 2 on the application for the permit, the relevant building surveyor must notify the reporting authority without delay of the permit and give the reporting authority a copy of the permit.

24 Refusal of building permit

- (1) Subject to section 24A and Division 4, the relevant building surveyor must not issue a building permit unless he or she is satisfied that—

-
- (a) the building work and the building permit will comply with this Act and the building regulations; and
- (b) any consent of a reporting authority required under this Act or the regulations or under any other Act or regulations is obtained or deemed to have been obtained in accordance with Schedule 2; and
- (c) any relevant planning permit or other prescribed approval has been obtained; and
- (d) the building permit will be consistent with that planning permit or other prescribed approval.
- (2) Subject to section 24A and Division 4, the relevant building surveyor must not issue a building permit that imposes on the applicant lesser or greater standards or requirements than those prescribed by this Act or the building regulations, unless permitted to do so by this Act or the building regulations.
- (3) The relevant building surveyor must not issue a building permit for the carrying out of building work for which notice is required to be given to the Urban Renewal Authority Victoria under section 18A unless the Authority has notified the relevant building surveyor under section 51ZA of the **Urban Renewal Authority Victoria Act 2003** that—
- (a) a general development charge or an infrastructure recovery charge is not payable in respect of the building work for which the permit is to be issued; or
- S. 24(1)(b) amended by No. 28/2000 s. 13(a).
- S. 24(1)(c) substituted by No. 28/2000 s. 13(b).
- S. 24(1)(d) inserted by No. 28/2000 s. 13(b).
- S. 24(2) amended by No. 66/2004 s. 5(1).
- S. 24(3) substituted by No. 91/1995 s. 137(1), amended by No. 35/2004 s. 35(1), repealed by No. 66/2004 s. 5(2), new s. 24(3) inserted by No. 35/2006 s. 10, amended by No. 35/2011 s. 17(2).

(b) if a general development charge or an infrastructure recovery charge is payable in respect of that building work, the charge has been paid or the person liable to pay the charge has entered into an agreement with the Authority under section 51Y of that Act to pay the charge.

- (4) The relevant building surveyor must not issue a building permit for the carrying out of building work on land in respect of which there is a GAIC recording (within the meaning of Part 9B of the **Planning and Environment Act 1987**), unless the applicant produces any of the following certificates relating to that liability issued by the Commissioner of State Revenue under that Part—
- (a) a certificate of release;
 - (b) a certificate of exemption;
 - (c) a certificate of staged payment approval;
 - (d) a certificate of no GAIC liability.

(b) each architect to be engaged in the building work is an insured architect.

(2) The relevant building surveyor may consider an application for a building permit for domestic building work that is to be carried out under a major domestic building contract but must not issue the permit unless he or she is satisfied that—

-
- (a) the work is to be carried out by a builder who is registered under Part 11 in the appropriate class of domestic builder and is covered by the required insurance; and
 - (b) each architect to be engaged in the building work is an insured architect.
- (3) The relevant building surveyor may consider an application for a building permit for domestic building work where the cost of the work (estimated in accordance with section 201) is more than \$12 000 and the work is not to be carried out under a major domestic building contract but must not issue the permit unless he or she is satisfied that—
- (a) the work is to be carried out by—
 - (i) a builder who is registered under Part 11; or
 - (ii) an architect who is registered under the **Architects Act 1991**; or
 - (b) the applicant has been issued with a certificate of consent for the work; or
 - (c) the applicant is the Director of Housing within the meaning of the **Housing Act 1983**.

25C Application for owner-builder certificate of consent

- (1) A natural person may apply to the Building Practitioners Board for the issue of a certificate of consent to carry out domestic building work on land.
- (2) The application must—
 - (a) contain the prescribed information; and
 - (b) be made in the prescribed manner; and

-
- (c) be accompanied by—
- (i) a statutory declaration by the applicant stating that the applicant has read the information statement published under section 25I; and
 - (ii) any other prescribed information; and
 - (iii) the prescribed application fee.

25D Further particulars

The Building Practitioners Board may ask an applicant under section 25C to give it any more information that it reasonably requires to determine the application and may refuse the application if the applicant does not comply with the request within a reasonable time.

 - (g) if the applicant was a co-owner of land (other than the land to which the application relates) with another person in the previous 3 years, a building permit has not been issued to that person for the carrying out of domestic building work by that person as builder on that land in that 3 year period; and
 - (h) the applicant is not in the business of building.
- (2) In subsection (1) a reference to a period of 3 years does not include any period before the commencement of section 8 of the **Building (Amendment) Act 2004**.
 - (3) Subject to subsection (4), the Board must refuse to issue a certificate of consent if the requirements of subsection (1) are not met.
 - (4) The Board may exempt an applicant from the requirement in subsection (1)(e), (1)(f) or (1)(g) if the Board determines that special circumstances exist.
-

-
- (5) For the purposes of subsection (4), the Board may determine that special circumstances exist if it is satisfied that—
- (a) the application arises from a substantial change in the circumstances of the applicant; or
 - (b) the applicant would suffer hardship if the application were refused.
- (6) In this section *related body* means a body corporate of which the applicant is a director or the trustees of a trust of which the applicant is a beneficiary.

S. 28(1)(b) repealed by No. 28/2000 s. 14(1).

(2) The building permit may be issued to enable the carrying out of work appropriate to the style, manner of construction and materials of the building.

(3) In deciding an application for a building permit in respect of a building to which subsection (1) applies, the relevant building surveyor must take into account—

(a) the structural adequacy of the building; and

S. 28(4)
inserted by
No. 28/2000

- (b) the requirements necessary to make reasonable provision for the amenity of the building and the safety and health of people using the building.
- (4) The consent and report of the Executive Director under the **Heritage Act 1995** must be obtained to an application to demolish or alter a building which is on a register established under that Act.

29 Subdivision

- (1) Despite anything to the contrary in this Act or in any other Act or law, the relevant building surveyor may refuse to issue a building permit for the construction of a building if—
 - (a) the owner from time to time of the land could dispose of part of that land without proceeding under the **Subdivision Act 1988**; and
 - (b) the relevant building surveyor is satisfied that if part of the land were disposed of before the council considered the matter, the building to be constructed would not comply with the provisions of the relevant planning scheme or of any regulation made under this Act or of any local law made under powers conferred by the regulations made under this Act with respect to—
 - (i) the dimensions or area of the land; or
 - (ii) the proportion of the area of land on which buildings are to be constructed; or
 - (iii) the provision of open space on the land.
- (2) The relevant building surveyor must not, under subsection (1), refuse a building permit for the construction of a building on the sole ground that the owner may without notice to the council

dispose of part of the land to the Crown or to a public statutory body constituted under a law of the State or of the Commonwealth.

29A Application for building permit for demolition

S. 29A
inserted by
No. 28/2000

- (1) If an application is made to the relevant building surveyor under this Act for a building permit for the demolition of a building on land and—
- (a) the demolition and all other demolitions completed or permitted in respect of the building within the period of 3 years immediately preceding the date of the application would together amount to the demolition of more than one half of the volume of the building as it existed at the date of the first building permit to be issued within that period for the demolition of any part of the building; or
 - (b) the demolition is of any part of the facade of a building—

then the report and consent of the responsible authority under the **Planning and Environment Act 1987** for the planning scheme relating to that land must be obtained to that application.

- (2) The responsible authority as reporting authority must refuse its consent to an application to which subsection (1) applies if a planning permit is required for the demolition and has not been obtained but must not otherwise refuse its consent to the application.
- (3) In this section—
- facade* means—
- (a) an external wall, including any verandah, balcony or balustrade or architectural feature attached to or forming part of an external wall; or

s. 29B

- (b) a part of a roof; or

29B Suspension of demolition permit pending amendment of planning scheme

- (1) If—
 - (a) the report and consent of the responsible authority as reporting authority under section 29A has been sought in relation to an application for a building permit; and
 - (b) during the prescribed time referred to in clause 6A(2) of Schedule 2—
 - (i) an application is made to the Minister for an exemption under section 20(1) of the **Planning and Environment Act 1987** in respect of an amendment to the planning scheme affecting the land; or
 - (ii) if a request is made to the Minister to prepare an amendment to a planning scheme affecting the land and to exempt himself or herself under section 20(4) of the **Planning and Environment Act 1987** from certain requirements in respect of that amendment—

the responsible authority must give written notice without delay to the relevant building surveyor of the application or request.

-
- (2) On receipt of a notice under subsection (1) the relevant building surveyor must suspend consideration of the application for the building permit.
 - (3) The responsible authority must give written notice to the relevant building surveyor without delay of—
 - (a) the withdrawal of an application or request referred to in subsection (1)(b); or
 - (b) the refusal of an application or request referred to in subsection (1)(b); or
 - (c) the coming into operation of an amendment referred to in subsection (1)(b); or
 - (d) the lapsing of an amendment referred to in subsection (1)(b).
 - (4) The prescribed time within which the relevant building surveyor must decide an application for a permit—
 - (a) ceases to run at the time that notice affecting the application is received by the relevant building surveyor under subsection (1); and
 - (b) recommences to run only when notice affecting the application is received by the relevant building surveyor under subsection (3).
 - (5) If a notice of an amendment has been given to the relevant building surveyor under subsection (3)(c) the relevant building surveyor must, in considering under section 24 whether a building permit is consistent with any relevant planning permit, consider the requirements of the relevant planning scheme as amended by the amendment.

- (2) A person who is carrying out building work for which a permit has been issued under Part 3 must stop carrying out that work or any part of that work on completion of a mandatory notification stage if directed to do so by the relevant building surveyor.

S. 33(2)
amended by
No. 33/2010
s. 7.

Penalty: 120 penalty units.

34 Inspections at mandatory notification stages

On being notified that a mandatory notification stage has been completed, the relevant building surveyor must cause the building work concerned to be inspected.

35 Inspection of building work—general powers

The relevant building surveyor may cause building work for which a permit has been issued under Part 3 to be inspected at any time whether or not a mandatory notification stage has been completed.

36 Powers in relation to inspections

The relevant building surveyor may cause any building work to be demolished, opened or cut into or tested if this is reasonably required to facilitate the carrying out of an inspection for the purposes of this Act or the regulations.

37 Directions as to work

- (1) After inspecting building work, the relevant building surveyor or a person acting on behalf of the relevant building surveyor may direct the person who is in charge of carrying out the building work to carry out work so that the building work complies fully or substantially with the building permit issued in respect of the work, this Act or the building regulations, as the case requires.
- (2) If a person fails to comply with a direction under this section, the relevant building surveyor may cause a building notice to be issued under Part 8 or may take any other action permitted by this Act or the building regulations.
- (3) A direction may be given orally or in writing.
- (4) If a direction is given orally, the person who gave the direction must confirm it in writing without delay to the person to whom the direction was given.

38 Certificate of final inspection

- (1) The relevant building surveyor must issue a certificate of final inspection on completion of the inspection following the final mandatory notification stage of building work if—
 - (a) an occupancy permit is not required for the building work; and
 - (b) all directions given under this Part in respect of the building work have been complied with.
- (2) A certificate of final inspection is not evidence that the building or building work concerned complies with this Act or the building regulations.

**PART 5—OCCUPATION OF BUILDINGS AND PLACES OF
PUBLIC ENTERTAINMENT**

Division 1—Occupancy permits (building work)

39 Occupancy permit must be obtained

- (1) If a building permit states that an occupancy permit is required for the whole of a building, a person must not occupy that building unless the occupancy permit has been issued under this Division for the building.

S. 39(1)
amended by
No. 33/2010
s. 8.

Penalty: 120 penalty units, in the case of a natural person.

600 penalty units, in the case of a body corporate.

- (2) If a building permit states that an occupancy permit is required for part of a building, a person must not occupy that part of the building unless the occupancy permit has been issued under this Division for that part of the building.

S. 39(2)
amended by
No. 33/2010
s. 8.

Penalty: 120 penalty units, in the case of a natural person.

600 penalty units, in the case of a body corporate.

40 Occupation must be in accordance with permit

S. 40
amended by
No. 34/1997
s. 7(1).

- (1) A person must not occupy a building in contravention of the current occupancy permit or permits issued under this Division for the building.

S. 40(1)
amended by
No. 33/2010
s. 9.

Penalty: 120 penalty units, in the case of a natural person.

600 penalty units, in the case of a body corporate.

s. 41

S. 40(2)
inserted by
No. 34/1997
s. 7(2).

- (2) Subsection (1) does not apply to a person who occupies a building in accordance with an approval given under Division 3.

41 Applications for occupancy permits

An application for an occupancy permit required by a building permit must be made to the relevant building surveyor—

- (a) by or on behalf of the owner of the building or the owner of the land, in or on which the building work has been carried out; or
- (b) if the land in or on which the building work has been carried out is a lot of a kind referred to in section 9AA(1) of the **Sale of Land Act 1962**, by the purchaser under a contract for the sale of that lot.

42 Schedule 2 to apply

Schedule 2 applies in relation to an application for an occupancy permit under this Division.

43 Decision on application for occupancy permit

- (1) The relevant building surveyor must decide an application for an occupancy permit under this Division by—
- (a) issuing the permit; or
- (b) issuing the permit with conditions; or
- (c) refusing the permit.
- (2) The regulations may prescribe a time within which the relevant building surveyor must decide an application for an occupancy permit.
- (3) The relevant building surveyor is deemed to have refused an occupancy permit if the application is not decided within the prescribed time.

44 Refusal of occupancy permit

The relevant building surveyor must not issue an occupancy permit under this Division—

- (a) unless the building, or the part of the building, to which the permit applies is suitable for occupation; and
- (b) if plumbing work for which section 221ZH required the issue of a compliance certificate was carried out in conjunction with the building work on the building or part of the building in respect of which the permit is sought, unless the building surveyor has seen a copy of the compliance certificate.

S. 44
substituted by
No. 75/1998
s. 6.

45 Form of occupancy permit

An occupancy permit under this Division must specify—

- (a) the prescribed classification of the building or part of a building to which it applies; and
- (b) the proposed use of the building or part of a building; and
- (c) the maximum permissible live load within the building or part of a building, if applicable; and
- (d) the maximum number of people to be accommodated within the building or part of a building, as determined in accordance with the regulations; and
- (e) any conditions to which it is subject.

46 Effect of occupancy permit

- (1) An occupancy permit under this Division is evidence that the building or part of a building to which it applies is suitable for occupation.

- (2) An occupancy permit under this Division is not evidence that the building or part of a building to which it applies complies with this Act or the building regulations.

47 Reporting authority to be notified of occupancy permit

If the relevant building surveyor issues an occupancy permit under this Division which differs from or fails to implement the recommendations in a reporting authority's report under Schedule 2 on the application for the permit, the relevant building surveyor must notify the reporting authority without delay of the permit and give the reporting authority a copy of the permit.

48 Reasons for refusal to be given

The relevant building surveyor must notify an applicant under this Division for an occupancy permit in writing without delay of the refusal of the permit and the reasons for the refusal.

Division 2—Occupancy permits (places of public entertainment)

49 Public entertainment not to be conducted at place without occupancy permit

A person must not conduct⁷ a public entertainment in a place of public entertainment unless an occupancy permit has been issued under this Division which permits its use for the entertainment.

Penalty: 240 penalty units, in the case of a natural person.

1500 penalty units, in the case of a body corporate.

S. 49
amended by
No. 33/2010
s. 10.

**50 Place not to be used for public entertainment
without occupancy permit**

S. 50
amended by
No. 33/2010
s. 11.

The owner or occupier of a place of public entertainment must not, for fee or reward, permit the place to be used for the purpose of providing public entertainment unless an occupancy permit has been issued under this Division which permits its use for the entertainment.

Penalty: 240 penalty units, in the case of a natural person.

1500 penalty units, in the case of a body corporate.

**51 Use of place of public entertainment must be in
accordance with permit**

S. 51
amended by
No. 33/2010
s. 12.

The owner or occupier of a place of public entertainment (other than a prescribed temporary structure) must not permit the place to be used for the purpose of providing public entertainment in contravention of the occupancy permit permitting its use for the entertainment.

Penalty: 240 penalty units, in the case of a natural person.

1500 penalty units, in the case of a body corporate.

S. 52
amended by
No. 33/2010
s. 13.

52 Use of prescribed temporary structure must be in accordance with permit

The owner, occupier, lessee or a hirer of a prescribed temporary structure must not permit the structure to be used for the purpose of providing public entertainment in contravention of the occupancy permit permitting its use for the entertainment.

Penalty: 240 penalty units, in the case of a natural person.

1500 penalty units, in the case of a body corporate.

53 Applications for occupancy permits

- (1) An application for an occupancy permit under this Division (other than an occupancy permit referred to in subsection (2)) may be made to a municipal building surveyor or a private building surveyor appointed under Part 6 by or on behalf of the owner of the place of public entertainment concerned.
- (2) An application for an occupancy permit under this Division for a prescribed temporary structure or for a place of public entertainment prescribed or in a class prescribed for the purposes of this section may be made to the Commission by or on behalf of the owner of the place of public entertainment concerned⁸.
- (3) An application can only be made to a private building surveyor under this Division in conjunction with an application for an occupancy permit under Division 1 in respect of the place of public entertainment concerned.

54 Schedule 2 to apply

Schedule 2 applies in relation to an application for an occupancy permit under this Division.

55 Refusal of occupancy permit

The relevant building surveyor must not issue an occupancy permit under this Division unless the place to which the permit applies is suitable for occupation for the public entertainment or class of public entertainment for which the permit is sought.

56 Decision on application for occupancy permit

- (1) The relevant building surveyor must decide an application for an occupancy permit under this Division by—
 - (a) issuing the permit; or
 - (b) issuing the permit with conditions; or
 - (c) refusing the permit.
- (2) The regulations may prescribe a time within which the relevant building surveyor must decide an application for an occupancy permit.
- (3) The relevant building surveyor is deemed to have refused an occupancy permit if the application is not decided within the prescribed time.

57 Prescribed temporary structures—special provisions

- (1) An occupancy permit for a prescribed temporary structure may be issued on condition that—
 - (a) the siting of the temporary structure in any municipal district is subject to the approval of the municipal building surveyor of that district; and
 - (b) the erection of the temporary structure is carried out by registered building practitioners.

- (2) More than one occupancy permit can be issued for a prescribed temporary structure but each occupancy permit must not be issued for a period longer than 5 years.

58 Effect of occupancy permit

- (1) An occupancy permit under this Division is evidence that the place to which it applies is suitable for occupation for the purpose of the public entertainment or class of public entertainment for which it was issued.
- (2) An occupancy permit under this Division is not evidence that a place of public entertainment complies with this Act or the building regulations.

59 Form of occupancy permit

- (1) An occupancy permit under this Division must specify—
- (a) the public entertainment or class of public entertainment to which it applies; and
 - (b) any conditions to which it is subject; and
 - (c) the period of operation of the permit.
- (2) If an occupancy permit is required under Division 1 and this Division in respect of a building or part of a building (other than a prescribed temporary structure), the relevant building surveyor may issue a combined occupancy permit if the requirements of both Divisions have been met.

60 Reporting authority to be notified of occupancy permit

If the relevant building surveyor issues an occupancy permit under this Division which differs from or fails to implement the recommendations in a reporting authority's report under Schedule 2 on the application for the

permit, the relevant building surveyor must notify the reporting authority without delay of the permit and give the reporting authority a copy of the permit.

61 Owner to notify others of occupancy permit

- (1) The owner of a building (other than a prescribed temporary structure) must notify an occupier of the building, within 7 days after the occupier first enters into occupation of the building or within 7 days after an occupancy permit is issued in respect of the building (whichever is the later), of any occupancy permit in force under this Division in respect of the building.

S. 61(1)
amended by
No. 33/2010
s. 14.

Penalty: 120 penalty units.

- (2) The owner of a prescribed temporary structure must notify the occupier, lessee or hirer of the structure within 7 days after the occupier, lessee or hirer enters into occupation of, or leases or hires the temporary structure or within 7 days after an occupancy permit is issued in respect of the structure (whichever is the later), of any occupancy permit in force under this Division in respect of the structure.

S. 61(2)
amended by
No. 33/2010
s. 14.

Penalty: 120 penalty units.

62 Reasons for refusal to be given

If the relevant building surveyor refuses an occupancy permit under this Division, the relevant building surveyor must notify the applicant for the permit in writing without delay of the refusal of the permit and the reasons for the refusal.

63 Inspection of places of public entertainment

- (1) The municipal building surveyor of a municipal district may cause any place of public entertainment in that municipal district for which an occupancy permit has been issued under this Division to be inspected from time to time to determine whether or not the permit is being complied with.
- (2) The Commission may cause any place of public entertainment for which an occupancy permit has been issued by the Commission under this Division to be inspected from time to time to determine whether or not the permit is being complied with.

Division 3—Temporary occupation of buildings

64 Temporary occupation of buildings

S. 64
amended by
No. 71/1995
s. 5(a)(b).

S. 64(1)
amended by
No. 34/1997
s. 8.

S. 64(2)
inserted by
No. 71/1995
s. 5(c).

- (1) A person may, with the approval of a municipal building surveyor or a private building surveyor appointed under Part 6, occupy on a temporary basis a building for which there is not or could not be issued an occupancy permit appropriate to the use of the building.
- (2) An approval cannot be given under this section for a use of a building or part of a building if a building permit requires an occupancy permit to be issued for that use of the building or part of a building.

65 Who may apply for approval?

An application for approval under this Division may be made to the relevant building surveyor by or on behalf of the owner of the building concerned.

66 Form of application

An application must—

- (a) be in a form approved by the relevant building surveyor; and
- (b) be accompanied by the fees—
 - (i) determined by the council in accordance with the **Local Government Act 1989**; or
 - (ii) in the case of an application to a private building surveyor, determined by the private building surveyor.

67 Determination of applications

The relevant building surveyor must decide the application for approval to occupy a building on a temporary basis by—

- (a) issuing the approval; or
- (b) issuing the approval with conditions; or
- (c) refusing the approval.

68 Form of approval

An approval under this section must—

- (a) be in writing; and
- (b) specify any conditions to which it is subject; and
- (c) specify the period for which it applies.

69 Reasons for refusal to be given

The relevant building surveyor must notify an applicant in writing of the refusal of approval to occupy a building on a temporary basis and the reasons for the refusal.

Division 4—Amendment and cancellation of permits and approvals

70 Amendment of permit or approval

- (1) A municipal building surveyor may amend a permit or approval issued under this Part—
 - (a) on an application by or on behalf of the owner of the building or land concerned; or
 - (b) in any other case, if the amendment is necessary in the public interest.
- (2) Sections 42 to 48 apply (with any necessary modifications) in relation to an application to amend an occupancy permit issued under Division 1 as if it were an application for an occupancy permit under that Division.
- (3) Sections 54 to 62 apply (with any necessary modifications) in relation to an application to amend an occupancy permit issued under Division 2 as if it were an application for an occupancy permit under that Division.
- (4) Sections 66 to 69 apply (with any necessary modifications) in relation to an application to amend an approval given under Division 3 as if it were an application for approval under that Division.

71 Cancellation of permit or approval if fraud or misrepresentation

The relevant building surveyor may cancel a permit or approval issued by the relevant building surveyor under this Part if the permit or approval was obtained by fraud or misrepresentation.

72 Cancellation of occupancy permit on other grounds

A municipal building surveyor may cancel an occupancy permit issued under Division 1 if—

- (a) the building or the part of a building to which the permit relates is no longer suitable for occupation for the classification stated on the permit; or
- (b) the use of the building or part of the building has changed from the use stated on the permit; or
- (c) the strength of the building has become less than required to carry the loads stated on the permit.

Division 5—Register and records

73 Relevant building surveyor to give copies of documents to council

S. 73
amended by
No. 71/1995
s. 6(a).

- (1) The relevant building surveyor, within 7 days after issuing any occupancy permit or temporary approval or amending any permit or approval under this Part, must give to the relevant council a copy of that permit or approval or amendment and any plans and other documents lodged with the application for the permit or approval or amendment.

S. 73(1)
amended by
No. 33/2010
s. 15.

Penalty: 50 penalty units.

- (1A) In addition to the requirements of subsection (1), the relevant building surveyor, within the relevant prescribed time, must give to the relevant council a copy of any other prescribed documents relating to the application for the occupancy permit or temporary approval or the permit or approval.

S. 73(1A)
inserted by
No. 34/1997
s. 9(1),
amended by
No. 33/2010

S. 73(2)
inserted by
No. 71/1995
s. 6(b),
amended by
No. 34/1997
s. 9(2).

- (2) Any documents lodged with the relevant council under subsection (1) or (1A) must be accompanied by the appropriate prescribed lodgement fee (if any) paid to the relevant building surveyor under clause 1 of Schedule 2.

74 Register of occupancy permits and temporary approvals

- (1) A council must keep a register of all occupancy permits and temporary approvals and amendments given to it under this Division.
- (2) A council must make the register available for inspection during normal office hours by any person.

75 Keeping of records

A council must keep all documents given to it under this Division for the prescribed period and in the prescribed manner.

PART 6—PRIVATE BUILDING SURVEYORS

76 Functions of private building surveyor

A private building surveyor may be appointed to carry out all or any of the following functions under this Act—

- (a) the issuing of building permits;
- (b) the carrying out of inspections of buildings and building work under Part 4;
- (c) the issuing of occupancy permits and temporary approvals under Part 5.

77 Additional functions

In addition to the functions set out in section 76, a private building surveyor may carry out any other functions conferred on private building surveyors by this Act or the regulations.

78 When may a private building surveyor be appointed?

- (1) Subject to this Part, a person who is entitled to apply for a building permit, occupancy permit or temporary approval under this Act in respect of a building or building work, may appoint a private building surveyor to carry out the functions set out in section 76 in respect of that building or building work.

- (2) Except as provided in this Part, a person must not appoint a private building surveyor to complete any functions set out in section 76 in respect of a building or building work if another private building surveyor or a municipal building surveyor has already commenced to carry out functions set out in that section in respect of that building or building work.

S. 78(2)
amended by
No. 33/2010
s. 16.

Penalty: 240 penalty units, in the case of a natural person.

1500 penalty units, in the case of a body corporate.

- (3) Subject to this Part, on and from the acceptance of an appointment under this Part in respect of a building or building work, a private building surveyor is responsible for carrying out the functions set out in section 76 in respect of that building or building work.
- (4) Despite the terms of an appointment under this section, a private building surveyor, in carrying out any functions set out in section 76, must comply with this Act and the regulations.

79 Circumstances in which private building surveyor may not act

- (1) Subject to subsection (2), a private building surveyor must not accept an appointment to carry out any functions set out in section 76 in relation to a building or building work if the private building surveyor—
- (a) prepared the design of the building or building work; or
 - (b) is, or within the prescribed period was, employed or engaged by the person or body which prepared the design of the building or building work other than an appointment to carry out a function set out in section 76; or

S. 79(1)
amended by
No. 33/2010
s. 17.

- (c) has a direct or indirect pecuniary interest in the body which prepared the design of the building or building work; or
- (d) has a direct or indirect pecuniary interest in the building or building work or in any body carrying out the building work.

Penalty: 500 penalty units.

- (2) The Commission, on the application of a private building surveyor, may exempt the private building surveyor from all or any of the requirements of subsection (1) in respect of any particular building or building work. An exemption must be in writing.

S. 79(2A)
inserted by
No. 71/1995
s. 7(1),
amended by
No. 33/2010
s. 17.

- (2A) A private building surveyor must not accept an appointment to carry out any functions set out in section 76 in relation to a building or building work if the private building surveyor—
 - (a) is also an officer or employee of a council and the building is situated in or the building work is to be carried out in the municipal district of that council; or
 - (b) is engaged by a council under section 215 to carry out the functions of municipal building surveyor and the building is situated in or the building work is to be carried out in that municipal district.

Penalty: 500 penalty units.

- (3) Except as provided in this Part, a private building surveyor must not accept an appointment to complete any functions set out in section 76 in respect of a building or building work if another private building surveyor or a municipal building surveyor has already commenced to carry out functions set out in that section in respect of that building or building work.

80 Private building surveyor to notify council

A private building surveyor must, within 7 days after accepting an appointment under this Part, notify the relevant council in writing of the appointment and the building or building work in respect of which the private building surveyor is appointed.

81 Termination of appointment

- (1) Subject to subsection (3), the appointment of a private building surveyor under this Part cannot be terminated without the written consent of the Commission.
- (2) If building work in respect of which a private building surveyor is appointed is terminated before commencement or completion, the owner of the land on which the building work was or was to be carried out must notify the Commission and the relevant municipal council of the termination of the building work.
- (3) On receipt by the Commission of a notice under subsection (2), the appointment of the private building surveyor is deemed to be terminated.
- (4) If the appointment of a private building surveyor is terminated under subsection (3), a private building surveyor or municipal building surveyor must not complete the first private building surveyor's functions in respect of the building work without the written consent of the Commission.
- (5) This section applies despite anything to the contrary in the terms of the appointment or in any other Act or rule of law.

82 Directions of Commission

(1) If—

- (a) the Commission consents to the termination of an appointment under section 81(1) and a new private building surveyor or a municipal building surveyor is to complete the private building surveyor's functions; or
- (b) the appointment of a private building surveyor has been terminated under section 81(3) and the Commission consents to a new private building surveyor or a municipal building surveyor completing the private building surveyor's functions—

the Commission may give such written directions as it considers appropriate to facilitate the transfer of the private building surveyor's functions to that other private building surveyor or municipal building surveyor.

(2) The private building surveyor whose appointment was terminated under section 81, the private building surveyor or municipal building surveyor to whom the functions are to be transferred and the person who appointed the private building surveyor whose appointment was terminated must comply with a direction under subsection (1).

Penalty: 500 penalty units, in the case of a natural person.

2500 penalty units, in the case of a body corporate.

(3) A direction under subsection (1) has effect despite anything to the contrary in the terms of appointment of the first private building surveyor or the private building surveyor or municipal building surveyor to whom the functions are transferred.

S. 82(2)
amended by
No. 33/2010
s. 18.

83 Effect of transfer of functions

If the functions of a private building surveyor are transferred to a second building surveyor under this Part, then in respect of any period on or after the date of transfer to the second building surveyor, anything done by the private building surveyor in respect of the building work concerned is, for the purpose only of carrying out the second building surveyor's functions under this Act and the regulations, deemed to have been done by the second building surveyor.

PART 7—PROTECTION OF ADJOINING PROPERTY

84 Notice of building work to be given

- (1) An owner who is required by the building regulations to carry out protection work in respect of an adjoining property before or during the carrying out of building work for which a building permit is required must, before commencing the building work, serve on the owner of the adjoining property and the relevant building surveyor notice of the proposed building work.
- (2) The notice must include—
 - (a) prescribed details of the proposed building work as at the date of the notice; and
 - (b) prescribed details of the proposed protection work setting out the nature, location, time and duration of the protection work; and
 - (c) any other prescribed information.

S. 84(2)
substituted by
No. 66/2004
s. 9(1).

85 Adjoining owner must respond to notice

- (1) The adjoining owner, not later than 14 days after service on the adjoining owner of the notice of proposed building work, must—
 - (a) give to the owner a notice agreeing to the proposed protection work; or
 - (b) give to the owner and the relevant building surveyor a notice—
 - (i) disagreeing with the proposed protection work; or
 - (ii) requiring more information to be given to enable the proposal to be considered by the relevant building surveyor.

S. 85(1)(a)
amended by
No. 66/2004
s. 9(2).

S. 85(1)(b)
amended by
No. 66/2004
s. 9(2).

-
- (2) Subject to sections 90 and 91, an adjoining owner who fails to give a notice under subsection (1) within the required time is deemed to have agreed to the proposed protection work.
 - (3) A notice given under this section must contain the prescribed information.

S. 85(3)
inserted by
No. 66/2004
s. 9(3).

86 Effect of agreement

If the adjoining owner agrees or is deemed to have agreed to the proposed protection work, the owner may proceed to carry out the protection work after obtaining any necessary permits or approvals required by this or any other Act or the building regulations.

87 Effect of disagreement or request for further information

- (1) On receipt of a notice under section 85(1)(b), the relevant building surveyor must examine the proposal for protection work and determine the appropriateness or otherwise of the work.
- (2) If the relevant building surveyor considers it appropriate in the case of a notice under section 85(1)(b)(ii), the relevant building surveyor—
 - (a) may ask the owner to give more information before making a determination under subsection (1); and
 - (b) if more information is requested, must make a copy of that information available to the adjoining owner.
- (3) In determining a matter under this section, the relevant building surveyor may make any inquiries he or she thinks fit but is not required to give any person a hearing.

- (4) The relevant building surveyor must give the owner and the adjoining owner notice in writing of a determination under this section.

88 Work not to be carried out until protection requirements met

S. 88(1)
amended by
No. 33/2010
s. 19.

- (1) An owner who is required by the building regulations to carry out protection work in respect of an adjoining property must not carry out any building work giving rise to that requirement until—
- (a) the adjoining owner agrees or is deemed to agree to the protection work; or
 - (b) the matter is determined by the relevant building surveyor under this Part; or
 - (c) in the case of an appeal to the Building Appeals Board in relation to the matter, the matter is determined by the Building Appeals Board.

Penalty: 500 penalty units, in the case of a natural person.

2500 penalty units, in the case of a body corporate.

S. 88(2)
amended by
No. 33/2010
s. 19.

- (2) The owner must carry out any protection work required by the building regulations—
- (a) if the adjoining owner has agreed to the protection work, in accordance with that agreement; or
 - (b) if the relevant building surveyor has made a determination under this Part in respect of the protection work, in accordance with that determination; or

- (c) if the Building Appeals Board has made a determination under Part 10 in respect of the protection work, in accordance with that determination.

Penalty: 500 penalty units, in the case of a natural person.

2500 penalty units, in the case of a body corporate.

89 Emergency procedures

- (1) The Commission, on the application of an owner or adjoining owner may declare that emergency protection work is required in respect of a particular adjoining property.
- (2) Sections 84 to 88 do not apply to any emergency protection work to be carried out in accordance with a declaration under subsection (1).
- (3) The owner must carry out emergency protection work in accordance with—
- (a) the declaration under subsection (1); or
 - (b) if the Building Appeals Board has made a determination under Part 10 in respect of the protection work, in accordance with that determination.

S. 89(3)
amended by
No. 33/2010
s. 20.

Penalty: 500 penalty units, in the case of a natural person.

2500 penalty units, in the case of a body corporate.

90 Absent or incapable owners

- (1) If an owner is required under the building regulations to carry out protection work in respect of an adjoining property but the adjoining owner cannot be found or is incapable of acting, the owner may apply to the Minister for the appointment of a suitable person to act as agent

for the adjoining owner during the adjoining owner's absence or incapacity.

- (2) An application must be in writing and set out the circumstances of the case and the grounds of the application.
- (3) Before making an application under this section, the owner must make all reasonable inquiries to determine whether any person has been appointed as administrator of the estate of the adjoining owner under the **Guardianship and Administration Act 1986**.

S. 90(3)
amended by
No. 52/1998
s. 311(Sch. 1
item 10.2).

91 Appointment of agent for adjoining owner

- (1) If the Minister is satisfied—
 - (a) that the adjoining owner cannot, after reasonable inquiry, be found or that the adjoining owner is incapable of acting in the matter of any agreement or disagreement; and
 - (b) that the owner has made all reasonable inquiries under section 90(3)—

the Minister may, in writing, appoint a suitable person to act as the agent of and in the place of the adjoining owner for the purposes of this Part.

- (2) The appointment is to be subject to such terms and conditions as to the discharge of the person's duties as agent and as to the payment of fees and otherwise as the Minister thinks fit.
- (3) The Minister must cause an agent appointed under this section to be notified in writing of—
 - (a) the appointment; and
 - (b) the nature of the agent's duties; and
 - (c) the fees to be paid to the agent by the owner; and

- (d) any other terms and conditions to which the appointment is subject.
- (4) An adjoining owner may revoke the appointment of an agent under this section but that revocation does not affect the validity of anything done by the agent under the appointment before the revocation.

92 Adjoining owner may inspect plans

At any time after notice of intention to commence the carrying out of building work is given under this Part, the relevant building surveyor must make available to the adjoining owner, on request, for inspection, without charge, any plans, drawings and specifications of the proposed building work in the possession or control of the relevant building surveyor.

93 Owner to arrange insurance cover

- (1) Before any protection work is commenced in respect of an adjoining property, an owner must ensure that a contract of insurance is in force, in accordance with this section, against—
- (a) damage by the proposed protection work to the adjoining property; and
- (b) any liabilities likely to be incurred to adjoining occupiers and members of the public during the carrying out of the building work and for a period of 12 months after that building work is completed.

- (2) The contract of insurance must be entered into with an insurer and for an amount—
- (a) agreed to by the owner and the adjoining owner; or
 - (b) in the event of a dispute, determined by the Building Appeals Board under Part 10.

S. 93(3)
amended by
Nos 68/2001
s. 7(2)(3),
33/2010
s. 21(2).

- (3) The owner must lodge a copy of the contract of insurance with the adjoining owner before the commencement of the protection work.

Penalty: 50 penalty units, in the case of a natural person.
120 penalty units, in the case of a body corporate.

S. 93(4)
substituted by
No. 68/2001
s. 7(4),

- (4) The owner must ensure that the contract of insurance is renewed or extended as often as may be necessary during the carrying out of the building work and for 12 months after that work is completed.

Penalty: 500 penalty units, in the case of a natural person.
2500 penalty units, in the case of a body corporate.

S. 93(5)
inserted by
No. 68/2001
s. 7(4),
amended by
No. 33/2010
s. 21(2).

- (5) The owner must lodge a copy of a document evidencing the renewal or extension of the contract of insurance with the adjoining owner as soon as it is practicable to do so after the renewal or extension.

Penalty: 50 penalty units, in the case of a natural person.
120 penalty units, in the case of a body corporate.

94 Survey of adjoining property

- (1) Before the commencement of any protection work, the owner or the owner's agent in company with the adjoining owner or the adjoining owner's agent, must—
 - (a) make a full and adequate survey of the adjoining property; and
 - (b) record in writing or by any other means any of the parties desires all existing cracks and defects in the adjoining property.
- (2) The record must be signed or otherwise acknowledged as an agreed record of the condition of the adjoining property before the commencement of any protection work.
- (3) The record is admissible in evidence in any proceedings relating to the adjoining property and is evidence of the condition of the adjoining property at the time the record was made.

95 Entry on adjoining property

- (1) An owner or the agent of an owner may enter between the hours of 8 a.m. and 6 p.m. on, over, under or into the air space above any adjoining property—
 - (a) to carry out any survey under section 94; or
 - (b) to carry out the protection work required by the building regulations and agreed or deemed to be agreed to or determined under this Part.

S. 95(2)
amended by
No. 33/2010
s. 22.

- (2) The owner must give the adjoining owner not less than 24 hours' notice, or such other notice as may be agreed between the parties, before the owner or the owner's agent enters an adjoining property under subsection (1).

Penalty: 50 penalty units, in the case of a natural person.

120 penalty units, in the case of a body corporate.

- (3) In the course of carrying out any protection work under this Part, an owner may without doing any unnecessary damage remove any furniture or fittings in the adjoining property which obstruct the carrying out of the work.

96 Adjoining owner and adjoining occupier not to obstruct owner

If notice of entry has been given in accordance with section 95(2), the adjoining owner or the adjoining occupier must not—

- (a) refuse to admit the owner or the owner's agents to the adjoining property in accordance with the notice for the purpose of carrying out the survey or protection work; or
(b) obstruct or hinder the owner or the owner's agents in carrying out the survey or protection work on, over, under or in the air space above the adjoining property.

Penalty: 10 penalty units and in the case of a continuing offence an additional penalty of 1 penalty unit for every day that the refusal, obstruction, or hindrance continues after the day appointed for entry in the notice.

97 Expenses of adjoining owner

- (1) The owner must pay to the adjoining owner all costs and expenses necessarily incurred by the adjoining owner in assessing proposed protection work and in supervising the carrying out of protection work in respect of the adjoining property and—
 - (a) agreed between the adjoining owner and the owner; or
 - (b) in the absence of an agreement, determined by the Building Appeals Board under Part 10.
- (2) The costs and expenses of an adjoining owner which are agreed or determined may be recovered in a court of competent jurisdiction as a debt due to the adjoining owner.

S. 97(1)
amended by
No. 34/1997
s. 10.

98 Compensation

An owner must compensate any adjoining owner or adjoining occupier for inconvenience, loss or damage suffered by the adjoining owner or adjoining occupier in connection with the carrying out of protection work under this Part.

99 Liability not affected

Nothing in this Part relieves an owner from any liability to which the owner would otherwise be subject for injury to the adjoining owner or adjoining occupier because of the protection work carried out by the owner under this Part.

100 Saving for easements

Nothing in this Part relating to the carrying out of protection work (other than overhead protection work) authorises any interference with an easement of light or other easement in or relating to a party wall or prejudicially affects the right of any person to preserve any right in connection

with a party wall which is demolished or rebuilt or to take any necessary steps for that purpose.

101 Lodgment of plans after completion of protection work

S. 101(1)
amended by
No. 33/2010
s. 23.

- (1) Not later than 2 months after the completion of any protection work carried out under this Part, the owner must serve on the adjoining owner and the relevant building surveyor a complete set of plans, drawings and specifications showing the protection work which has actually been carried out in respect of the adjoining property.

Penalty: 50 penalty units.

S. 101(2)
amended by
No. 33/2010
s. 23.

- (2) The relevant building surveyor, within 7 days after receiving plans, drawings and specifications under subsection (1), must give a copy of those documents to the relevant council.

Penalty: 50 penalty units.

**PART 8—ENFORCEMENT OF SAFETY AND BUILDING
STANDARDS**

Division 1—Emergencies

102 Emergency orders

- (1) A municipal building surveyor may make an emergency order under this Division, if he or she is of the opinion that the order is necessary because of a danger to life or property arising out of the condition or use or proposed use of a building, the land on which building work is being or is proposed to be carried out or a place of public entertainment.
- (2) The municipal building surveyor must cause an emergency order under subsection (1) to be served on the owner and the occupier of the building, land or place concerned without delay after it is made.

103 Contents of emergency orders

- (1) An emergency order may require the owner or occupier of a building or land or a place of public entertainment to do any one or more of the following things within a specified time or times—
 - (a) evacuate the building, land or place;
 - (b) not to conduct or not to allow the conduct of a public entertainment or immediately cease to conduct a public entertainment;
 - (c) to stop building work or to carry out building work or other work necessary to make the building, land or place safe or to secure the building, land or place from access.

-
- (2) An emergency order may also prohibit—
- (a) the occupation of a building or place of public entertainment; or
 - (b) the use of a building or place of public entertainment for a public entertainment—
- for the period set out in the order, which must not exceed 48 hours.
- (3) An emergency order must be in writing and must contain any matters required by the regulations.

S. 104
amended by
No. 71/1995
s. 8 (as
amended by
No. 34/1997
s. 32).

104 Duration of order

Subject to section 103(2), an emergency order remains in force until it is complied with or it is cancelled by the municipal building surveyor under section 105 or the Building Appeals Board under section 142.

105 Cancellation of emergency order

A municipal building surveyor may cancel an emergency order by written notice given to the owner and to the occupier of the building, place or land concerned if the order was made in error or the circumstances giving rise to the making of the order have changed.

Division 2—Building notices and building orders

106 Building notices

Subject to section 107, a municipal building surveyor or a private building surveyor may cause a building notice to be served on an owner of a building, land on which building work is being or is proposed to be carried out or a place of public entertainment if the building surveyor is of the opinion that any one of the following circumstances exists—

-
- (a) building work has been carried out on the building, land or place without a building permit required by this Act, or in contravention of a building permit or this Act or the building regulations;
 - (b) the use of the building or place contravenes this Act or the building regulations;
 - (c) the building or place is unfit for occupation or for use as a place of public entertainment;
 - (d) the building, land or place or building work on the building, land or place is a danger to the life, safety or health of any member of the public or of any person using the building, land or place or to any property.

107 Actions by private building surveyors

A private building surveyor may only serve a building notice or make a building order under this Division in respect of a building, land or place in relation to which the private building surveyor is appointed to carry out a function under this Act.

108 Contents and form of building notice

- (1) A building notice may require the owner of a building or place of public entertainment to show cause within a specified period—
 - (a) why occupation of the building or place or its use for public entertainment should not be prohibited; or
 - (b) why the owner should not do either or both of the following things—
 - (i) evacuate the building, land or place;

(ii) carry out building work, protection work or work required by the regulations in relation to the building, land or place.

(2) A building notice must be in writing and must contain any matters required by the regulations.

109 Representations by owner

An owner may, in the manner specified in the notice, make representations to the relevant building surveyor about the matters contained in the notice.

110 Cancellation of building notice

The relevant building surveyor may cancel a building notice if he or she considers it appropriate to do so after considering any representations made under section 109.

111 Building orders—general

- (1) Subject to section 107, a municipal building surveyor or a private building surveyor may make a building order under this section after the end of the time allowed by the building notice for making representations.
- (2) Before making an order, the relevant building surveyor must consider any representations made by the owner concerned.
- (3) A building order under this section may—
 - (a) prohibit the occupation of a building; or
 - (b) prohibit the occupation of a place of public entertainment or its use for public entertainment; or

-
- (c) require the owner of a building, land on which building work is being or is proposed to be carried out or place of public entertainment to do either or both of the following things within a specified time or times—
- (i) evacuate the building, land or place;
 - (ii) carry out building work, protection work or other work required by the regulations or to carry out a program of that work as directed in the order.

112 Building orders to stop building work

- (1) Subject to section 107, a municipal building surveyor or a private building surveyor may make a building order that requires an owner or other person to stop building work.
- (2) The order may be made if, in the opinion of the relevant building surveyor, the building work—
 - (a) contravenes this Act or the building regulations; or
 - (b) is a danger to the life, safety or health of any member of the public or any person using the building, land or place or to any property; or
 - (c) affects the support of any adjoining property.
- (3) The order may be made without first serving a building notice.
- (4) The order may be made even if a building order has been made under section 111 in respect of the building work or the building, land or place on which the building work is being carried out.

-
- (5) If an order to stop building work is made under this section, the person to whom it is directed must stop the building work except building work carried out in compliance with an order under section 111 in respect of the building work.

113 Building orders—minor work

Subject to section 107, a municipal building surveyor or a private building surveyor may make a building order requiring building work, protection work or other work required by the regulations to be carried out without first serving a building notice if the building surveyor is of the opinion that the work required to be carried out is of a minor nature.

114 Form and service of building order

- (1) A building order—
- (a) must be in writing; and
 - (b) must specify the time or times within which the order must be complied with; and
 - (c) must contain any other matters required by the regulations.
- (2) The relevant building surveyor must cause a building order to be served on the person to whom it is directed without delay after it is made.

115 Failure to comply with order by private building surveyor

- (1) If a person fails to comply with a building order made by a private building surveyor, the private building surveyor must refer the matter to the Commission and must take no further action in respect of the matter under this Part.
- (2) A referral under subsection (1) must be made within 14 days after the final date for compliance specified in the order.

116 Amendment or cancellation of certain building orders

- (1) An owner who is required to comply with a building order may, if there is a change in circumstances after the service of the order, request the relevant building surveyor to amend or cancel the building order.
- (2) On a request being made, the relevant building surveyor may—
 - (a) amend or cancel the building order; or
 - (b) refuse to amend or cancel the building order.
- (3) The relevant building surveyor is deemed to have refused a request under this section if he or she has not decided the request within the prescribed time.

117 Duration of order

A building order remains in force, and, if amended, remains in force as amended, until—

- (a) it is complied with; or
- (b) it is cancelled by the relevant building surveyor or the Building Appeals Board.

Division 3—General

118 Contravention of emergency order or building order

- (1) A person to whom an emergency order or building order is directed must comply with that order.

Penalty: 500 penalty units, in the case of a natural person.

2500 penalty units, in the case of a body corporate.

S. 118(1)
amended by
No. 33/2010
s. 24.

s. 119

S. 118(2)
amended by
No. 33/2010
s. 24.

- (2) A person must not occupy a building, land or place in contravention of an emergency order or building order.

Penalty: 500 penalty units, in the case of a natural person.

2500 penalty units, in the case of a body corporate.

S. 118(3)
amended by
No. 68/2009
s. 97(Sch.
item 13).

- (3) It is a sufficient defence to a prosecution under this section in relation to a public entertainment if the accused satisfies the court that he or she was unaware and ought not reasonably to have been aware of the fact that the public entertainment was the subject of an emergency order under this Part.

119 Building permit not required

Despite anything to the contrary in this Act or the building regulations, a person who carries out work in accordance with an emergency order or building order in force under this Part is not required to obtain a building permit or comply with the building regulations unless the relevant building surveyor so directs.

120 Completion of work required by emergency order or building order

S. 120(1)
amended by
No. 33/2010
s. 25.

- (1) On completion of the work required to be carried out by an emergency order or building order, the owner must notify the relevant building surveyor in writing, without delay.

Penalty: 50 penalty units.

- (2) The relevant building surveyor must inspect the notified work and—
- (a) report to the relevant council that the order has been fully complied with; or
 - (b) require the order to be fully complied with.

121 Work may be carried out by municipal building surveyor

If an owner fails to carry out work as required by an emergency order or building order made by a municipal building surveyor, the municipal building surveyor may cause that work to be carried out.

122 Minister may authorise action where immediate danger

If the Minister reasonably believes that a building or place of public entertainment presents an immediate danger to life or property and the owner—

- (a) cannot immediately be contacted; or
- (b) is unwilling or unable to take immediate action to comply with an emergency order—

the Minister may require a municipal building surveyor to take any necessary action.

123 Recovery of costs

- (1) If a municipal building surveyor carries out any work or takes any action under this Division, the relevant council may recover the costs of carrying out the work or taking the action from the owner in a court of competent jurisdiction as a debt due to the council.
- (2) If a municipal building surveyor carries out any work or takes any action under this Division, the relevant council may apply any sum or part of any sum for which a bond or undertaking is deposited with the council under a condition imposed on a permit under section 22 towards the costs of carrying out the work or taking the action.

124 Police assistance

- (1) A municipal building surveyor may request the assistance of a member of the police force, and a member of the police force may assist—
 - (a) in evacuating a building, land or place of public entertainment in accordance with an emergency order; or
 - (b) in removing persons from a building, land or place of public entertainment in or on which the municipal building surveyor or any person assisting the building surveyor is carrying out work or taking any action in accordance with an emergency order or building order.
- (2) A member of the police force may use reasonable force in carrying out a function under subsection (1).

125 Relevant building surveyor to notify council

- (1) The relevant building surveyor, within 7 days after making any emergency order, building notice or building order under this Part, must give to the relevant council a copy of the notice or order.
Penalty: 50 penalty units.
- (2) The relevant building surveyor, within 7 days after an emergency order, building notice or building order under this Part has been fully complied with or is amended or cancelled, must give a written notice of the compliance, amendment or cancellation to the relevant council.

S. 125(1)
amended by
No. 33/2010
s. 26.

126 Register of orders

- (1) The relevant council must keep a register of all emergency orders, building notices or building orders given to the council under this Part.
 - (2) The council must make the register available for inspection by any person during normal office hours.
-

PART 9—LIABILITY

Division 1—Immunity

**127 Immunity for Commissioner and staff of
Commission and members of and persons employed,
appointed or engaged by public authority**

- (1) The Commissioner or a member of a public authority (other than a council) or any person who is employed, appointed or engaged by the Commission or a public authority (other than a council) is not personally liable for anything necessarily or reasonably done or omitted to be done in good faith—
 - (a) in carrying out a function under this Act or the regulations; or
 - (b) in the reasonable belief that the act or omission was in the carrying out of a function under this Act or the regulations.
- (2) If the Commissioner or a person employed, appointed or engaged by the Commission does or omits to do anything—
 - (a) negligently in the carrying out of a function under this Act or the regulations; or
 - (b) in the reasonable belief that the person is carrying out a function under this Act or the regulations—

and the act or omission is necessary or reasonable in the carrying out or intended carrying out of that function, any liability that would, but for subsection (1), attach to the person because of that act or omission attaches instead to the Commission.

- (3) If a person who is a member of or employed, appointed or engaged by a public authority (other than a council) does or omits to do anything—
- (a) negligently in the carrying out of a function under this Act or the regulations; or
 - (b) in the reasonable belief that the person is carrying out a function under this Act or the regulations—

and the act or omission is necessary or reasonable in the carrying out or intended carrying out of that function, any liability that would, but for subsection (1), attach to the person because of that act or omission attaches instead to the public authority.

128 Immunity for building surveyor relying on certificate

A municipal building surveyor or a private building surveyor appointed under Part 6 is not liable for anything done or omitted to be done in good faith in reliance on a certificate given by a registered building practitioner under section 238.

137AA Insurance for domestic building work to be provided by designated insurers

- (1) If an order under section 135 requires a builder to be covered by insurance relating to the carrying out of domestic building work or managing or arranging the carrying out of domestic building work, the insurance required by the order must be provided by a designated insurer.
- (2) For the purposes of subsection (1) a designated insurer is—
 - (a) a general insurer within the meaning of the Insurance Act 1973 of the Commonwealth;
or
 - (b) a Lloyd's underwriter within the meaning of the Insurance Act 1973 of the Commonwealth authorised under that Act to carry on insurance business in Australia; or
 - (ba) the Victorian Managed Insurance Authority within the meaning of the **Victorian Managed Insurance Authority Act 1996**;
or
 - (c) an insurer specified by the Minister by notice under this section.
- (3) The Minister may by notice published in the Government Gazette specify an insurer for the purposes of this section.

-
- (4) The Minister must not specify an insurer under subsection (3) unless the Minister is satisfied that the insurer has an acceptable international credit rating and that the insurer does not carry on insurance business in Australia.
 - (5) For the purposes of this section an acceptable international credit rating is a rating that—
 - (a) is provided by a credit rating agency specified under subsection (6); and
 - (b) is equal to or exceeds the rating specified in relation to that agency under subsection (6).
 - (6) The Minister may by notice published in the Government Gazette—
 - (a) specify a credit rating agency for the purposes of this section; and
 - (b) specify a rating in relation to that agency.
 - (7) The Minister may by notice published in the Government Gazette amend or revoke any notice published under this section.
 - (8) The Minister must consult with the Minister for the time being administering the **Victorian Managed Insurance Authority Act 1996** before publishing any notice under this section.
 - (9) In this section *insurance* has the same meaning as it has in section 135.
 - (10) This section applies only to insurance taken out on or after the commencement of section 42 of the **Wrongs and Other Acts (Law of Negligence) Act 2003**.

137A Insurance for domestic building work

- (1) Without limiting section 135, if an order under that section requires a builder to be covered by insurance relating to the carrying out of domestic building work or managing or arranging the carrying out of domestic building work, the insurance required by the order may, subject to any exemptions or exclusions set out in the order, relate to losses resulting from—
 - (a) breaches of warranties implied into the major domestic building contract for that work under the **Domestic Building Contracts Act 1995**;
 - (b) domestic building work which is defective within the meaning of that Act;
 - (c) non-completion of the domestic building work;
 - (d) conduct by the builder in connection with the major domestic building contract for that work which contravenes section 18, 29, 34 or 151, or Subdivision B of Division 1 of Part 3-2, of the Australian Consumer Law (Victoria).
- (2) An order under section 135 may require insurance cover of a kind referred to in—
 - (a) subsection (1)(a) to extend to each person who is or may become entitled to the benefit of any of those warranties; or
 - (b) subsection (1)(b) to extend to any person on whose behalf the domestic building work is being carried out and to the owner for the time being of the building or land in respect of which the building work was being carried out.

-
- (d) a building to which section 137E applies; or
 - (e) a building to which Part 2 of the **House Contracts Guarantee Act 1987** applies.
- (2) A person who constructs a building must not enter into a contract to sell the building under which the purchaser will become entitled to possess the building (or to receive the rent and profits from the building) within the prescribed period unless—
- (a) in the case of a person other than a registered building practitioner—
 - (i) the person has obtained a report on the building from a prescribed building practitioner that contains the matters that are required by the Minister by notice published in the Government Gazette; and
 - (ii) the person obtained the report not more than 6 months before the person enters into the contract to sell the building; and
 - (iii) the person has given a copy of the report to the intending purchaser; and
 - (b) the person is covered by the required insurance (if any); and
 - (c) the person has given the purchaser a certificate evidencing the existence of that insurance; and
 - (d) in the case of a contract for the sale of a home, the contract sets out the warranties implied into the contract by section 137C.

Penalty: 100 penalty units.

-
- (3) A contract entered into in contravention of subsection (2) is not void by reason only of the contravention but is voidable at the option of the purchaser at any time before completion of the contract.
- (4) A person who enters into a major domestic building contract with a builder for the construction of more than 4 homes may, with the consent of the builder, apply in writing to the Director of Consumer Affairs Victoria within the meaning of the **Australian Consumer Law and Fair Trading Act 2012** to exempt the builder from the requirement to be covered by the required insurance in respect of that building work.
- (5) If, on an application under subsection (4), the Director of Consumer Affairs Victoria, in writing, exempts a builder from the requirement to be covered by insurance in respect of building work—
- (a) the builder is not required to be covered by the required insurance in respect of that building work; and
- (b) this section (except subsection (2)(a)) applies to the sale of a home constructed under that major domestic building contract.
- (5AA) A reference in subsection (2) to a person who constructs a building includes a reference to—
- (a) a mortgagee in possession of the land on which the building is situated; and
- (b) an executor or administrator of the estate of the person who constructed the building.
- (5AAB) A mortgagee, executor or administrator referred to in subsection (5AA) may rely on anything which was done by the person who constructed the building under subsection (2)(a) in the 6 months

**PART 10—THE BUILDING APPEALS BOARD AND ITS
JURISDICTION**

Division 1—Rights of appeal

138 Building and occupancy permits

- (1) An appeal may be made to the Building Appeals Board against—
 - (a) the refusal or deemed refusal of a permit; or
 - (b) the imposition of a condition on a permit other than a prescribed condition or a condition required by or under this Act or the regulations to be included in a permit; or
 - (c) the amendment or cancellation of a permit; or
 - (d) the refusal or deemed refusal of an application to amend or cancel a permit; or
 - (e) the failure, within a reasonable time, to decide an application to amend or cancel a permit, if no time is prescribed within which the decision must be made.
- (2) An appeal may be made to the Building Appeals Board against a requirement of a reporting authority or relevant building surveyor to—
 - (a) give more information about a permit application; or
 - (b) amend a permit application.
- (3) If a condition of a permit leaves anything to be determined or approved by a person or body or confers any similar discretion on a person or body, an appeal may be made to the Building Appeals Board against—

-
- (a) the person's or body's failure, within a reasonable time, or refusal to make that determination, give that approval or exercise that discretion; or
 - (b) that determination or approval or the exercise of that discretion.
- (4) An appeal under this section may be made by—
- (a) the owner of the building or land in respect of which the permit is sought; or
 - (b) if the land in respect of which the permit is sought is a lot of a kind referred to in section 9AA(1) of the **Sale of Land Act 1962**, the purchaser under a contract of sale of that lot.
- (5) A prescribed reporting authority may appeal to the Building Appeals Board against a decision to issue a permit that differs from, or fails to implement, the authority's recommendations in a report on the application for the permit.

139 Temporary occupation of buildings

The owner of a building may appeal to the Building Appeals Board against—

- (a) the refusal of approval under Division 3 of Part 5 to occupy the building on a temporary basis; or
- (b) the imposition of a condition on an approval under Division 3 of Part 5, other than a prescribed condition or a condition required by or under this Act or the regulations to be included in the approval; or
- (c) the amendment or cancellation of an approval under Division 3 of Part 5; or

-
- (d) a failure within a reasonable time to decide an application to issue, amend or cancel an approval under Division 3 of Part 5.

140 Private building surveyors

- (1) An owner who appoints a private building surveyor or a private building surveyor may appeal to the Building Appeals Board against the Commission's failure, within a reasonable time, or refusal to consent to the termination of the building surveyor's appointment.
- (2) If under Part 6—
- (a) an owner has notified the Commission that building work has been terminated; and
 - (b) the owner proposes to appoint another private building surveyor or a municipal building surveyor in respect of that building work—

that owner or building surveyor may appeal to the Building Appeals Board against the Commission's failure, within a reasonable time, or refusal to consent to that appointment.

141 Protection work

An owner required to carry out protection work or an adjoining owner may appeal to the Building Appeals Board against—

- (a) a determination under section 87 as to the appropriateness of the work; or
- (b) a declaration under section 89; or
- (c) a failure, within a reasonable time, or refusal to make that determination or declaration; or
- (d) a requirement under section 87 to give more information.

142 Building notices and orders

- (1) The owner of a building or land, may appeal to the Building Appeals Board against—
 - (a) a decision to serve a building notice on the owner under Division 2 of Part 8; or
 - (b) the failure within a reasonable time, or refusal to cancel a building notice on being requested to do so by the owner.
- (2) The owner of a building or land may appeal to the Building Appeals Board against—
 - (a) the making of a building order under Division 2 of Part 8 applying to that building or land; or
 - (b) the imposition of any condition in that order; or
 - (c) a refusal to amend or cancel that order; or
 - (d) a failure, within a reasonable time, to amend or cancel that order; or
 - (e) a requirement under Division 3 of Part 8 that the building order be fully complied with.
- (3) The owner or occupier of a building or land may appeal to the Building Appeals Board against—
 - (a) a refusal of the municipal building surveyor to cancel an emergency order under Division 1 of Part 8 applying to that building or land; or
 - (b) a failure, within a reasonable time, to cancel that order.

143 Appeals against decisions of Building Practitioners Board

- (1) A person to whom a decision of the Building Practitioners Board under Division 1 or 2 of Part 11 applies may appeal against the decision to the Building Appeals Board.
- (1A) A person to whom a decision of the Building Practitioners Board under Division 3A of Part 3 applies may appeal to the Building Appeals Board against—
 - (a) a decision of the Building Practitioners Board under that Division; or
 - (b) a failure of the Building Practitioners Board, within a reasonable time, to make a decision under that Division.
- (2) The Commission may appeal to the Building Appeals Board against—
 - (a) a failure by the Building Practitioners Board, within a reasonable time, to inquire into a matter referred to it by the Commission; or
 - (b) a refusal by the Building Practitioners Board to hold an inquiry into a matter so referred to it; or
 - (c) a decision by the Building Practitioners Board on an inquiry into a matter so referred to it.
- (3) A person who requested the Building Practitioners Board to hold an inquiry under Division 2 of Part 11 may appeal to the Building Appeals Board against—
 - (a) a failure by the Building Practitioners Board, within a reasonable time, to hold that inquiry; or

S. 143(1A)
inserted by
No. 66/2004
s. 10.

- (b) a refusal by the Building Practitioners Board to hold that inquiry; or
- (c) a decision by the Building Practitioners Board on that inquiry.

144 Appeals—Building regulations

If the building regulations leave a matter to be determined or approved by a person or body or confer a similar discretion on a person or body, the owner of the building or land who requests the determination to be made, approval to be given, or discretion to be exercised may appeal to the Building Appeals Board against—

- (a) that determination or approval or the exercise of that discretion; or
- (b) the failure within a reasonable time, or refusal to make that determination, give that approval or exercise that discretion.

144A Appeals—Building and Construction Industry Security of Payment Act 2002

- (1) A person may appeal to the Building Appeals Board against a decision of the Building Commission under section 42 of the **Building and Construction Industry Security of Payment Act 2002**—
 - (a) to refuse an application by the person for an authority to nominate adjudicators for the purposes of that Act; or
 - (b) to withdraw the person's authority to nominate adjudicators for the purposes of that Act.

- (2) A person may appeal to the Building Appeals Board against a decision of the Building Commission under section 43 of the **Building and Construction Industry Security of Payment Act 2002**—
- (a) to impose a condition on the person's authority to nominate adjudicators for the purposes of that Act; or
 - (b) to vary a condition of the person's authority to nominate adjudicators for the purposes of that Act.

Division 2—Appeals

145 Division additional to other powers

This Division is in addition to and does not take away from any other provision of this Act about the powers or procedure of the Building Appeals Board.

146 Effect of decisions under appeal

- (1) Subject to subsections (2) and (3), a decision in respect of which there is a right of appeal under Division 1 does not take effect until—
- (a) the end of the appropriate prescribed appeal period, if there is no appeal; or
 - (b) the decision is affirmed on appeal.
- (2) Unless the Building Appeals Board otherwise directs, an appeal under section 138, 139, 174A or 178, does not stay the operation of the decision under appeal.
- (3) An appeal under section 142(3) does not stay the operation of the emergency order to which the appeal relates.

147 Fast track appeals

- (1) On an appeal under Division 1 (other than against a decision of the Building Practitioner's Board) any party to the appeal may request the Building Appeals Board to begin to hear or otherwise deal with the appeal within 2 business days after the request is made.
- (2) A request under subsection (1)—
 - (a) must be made in writing; and
 - (b) must be accompanied by the appropriate prescribed fee.
- (3) The Building Appeals Board may grant or refuse the request and, if it grants the request, may require the person making the request to pay—
 - (a) the reasonable costs of all the parties to the appeal for the proceedings after the request is granted; and
 - (b) if the Board hears the appeal, an additional prescribed fee for the time taken for the hearing (including any adjourned hearing) excluding the first 2 hours of hearing.

148 Nature of an appeal

- (1) An appeal under this Part is in the nature of a re-hearing.
- (2) On an appeal the Building Appeals Board may consider matters not raised before the decision under appeal was made.

149 What action can be taken on appeal?

- (1) The Building Appeals Board must consider and determine an appeal and by its determination may—
 - (a) affirm the decision under appeal; or
 - (b) quash the decision under appeal; or
 - (c) vary the decision under appeal; or
 - (d) set the decision under appeal aside and—
 - (i) substitute its own decision; or
 - (ii) remit the decision to the decision-maker for reconsideration in accordance with any directions or recommendations that it considers appropriate.
- (2) In considering and determining an appeal, the Building Appeals Board has in addition to its other powers all the powers of the decision-maker in relation to the decision under appeal.
- (3) Without limiting subsection (2), on an appeal under section 140 the Building Appeals Board has the same powers as the Commission has under Part 6 to give directions concerning transitional and other arrangements following a consent given by the Commission.
- (3A) For the purposes of this Part, if an appeal is made to the Building Appeals Board against the refusal of a building permit or the imposition of a condition on a building permit, the decision under appeal is to be taken to include the decision or report of the relevant reporting authority if—

S. 149(3A)
inserted by
No. 30/2001

-
- (a) the building permit was refused because the reporting authority refused consent or the condition was imposed as a result of a recommendation in a report of the reporting authority; and
 - (b) the refusal of consent, or the making of the recommendation, was based on a decision made by the reporting authority in relation to the guidelines made under section 188A.
- (4) The Building Appeals Board may make any ancillary or incidental orders that it considers necessary to give effect to its determination on an appeal.

Division 3—Disputes

150 Disputes about inspections

If a dispute arises between an owner and the relevant building surveyor about the exercise of any of the building surveyor's powers under section 36 either of them may refer the matter to the Building Appeals Board.

151 Emergency protection work

If an owner and an adjoining owner cannot agree about how or when protection work required by declaration under section 89(1) is to be carried out, either of them may refer the matter to the Building Appeals Board.

152 Insurance

If an owner and an adjoining owner cannot agree about the nature of cover to be provided under a proposed contract of insurance under section 93 or about the amount to be insured under that contract, either of them may refer the matter to the Building Appeals Board.

153 Surveys of adjoining property

If an owner and an adjoining owner cannot agree about how or when a survey is to be carried out under section 94 or about the adequacy of a survey carried out under that section, either of them may refer the matter to the Building Appeals Board.

154 Cost of supervising protection work

If an owner and an adjoining owner cannot agree about the costs and expenses necessarily incurred by the adjoining owner in supervising protection work under Part 7, either of them may refer the matter to the Building Appeals Board.

155 Other disputes between owners and adjoining owners

If an owner and adjoining owner cannot agree in relation to a matter arising under Part 7, and the Building Appeals Board does not have jurisdiction to deal with that matter under any other provision of this Part, either of them may refer the matter to the Building Appeals Board.

156 Disputes about the building permit levy

If a dispute arises between the applicant for a building permit and the relevant building surveyor about the building surveyor's estimate of the cost of the work for which the permit is sought either of them may refer the matter to the Building Appeals Board.

157 Application and effect of building regulations

If—

- (a) there is a dispute about a building, building work or proposed building work between all or any of the following—
 - (i) the owner of the building or the land on which the building work is being or is to be carried out;
 - (ii) the person who carries out or is to carry out the building work;
 - (iii) the relevant building surveyor;
 - (iv) the Commission; and
- (b) the dispute concerns the application or effect of any provision of the building regulations (within the meaning of section 160) or whether any provision of the building regulations is or has been complied with—

any of those persons may refer the matter to the Building Appeals Board.

158 Party walls

- (1) If a dispute arises between the owners of buildings with a party wall about the construction of the wall or how much of the cost of construction is to be met by each of the owners, any of the owners may refer the matter to the Building Appeals Board.
- (2) Subsection (1) is in addition to and does not take away from the **Subdivision Act 1988**.

Division 4—Other proceedings

159 Compensation—protection work

An adjoining owner who suffers inconvenience, loss or damage during the carrying out of protection work under Part 7 may apply to the Building Appeals Board for an order determining the amount (if any) of compensation for that inconvenience, loss or damage.

160 Modification of building regulations

(1) In this section *provision of the building regulations* means—

- (a) a provision of a regulation made under Part 2 or of a local law made under those regulations; or
- (b) a provision of a regulation or local law made under Division 3 of Part III of the **Building Control Act 1981**; or
- (c) a provision of a regulation or by-law made under Division 2 of Part XLIX of the **Local Government Act 1958**; or
- (d) any other regulation or by-law that, by virtue of a provision of this Act or a corresponding previous enactment, applies or applied at a material time to building work; or
- (e) a provision of a document applied, adopted or incorporated by reference in an instrument referred to in paragraphs (a) to (d); or
- (f) a provision of a document referred to in paragraphs (a) to (e) as modified by the Building Appeals Board under this Part, the building referees under the **Building Control Act 1981** or the referees under the Thirty-Third Schedule of the **Local Government Act 1958** or a corresponding previous enactment.

s. 160A

- (2) An application may be made to the Building Appeals Board for a determination that a provision of the building regulations—
- (a) does not apply; or
 - (b) applies with the modifications or variations specified in the application—
- to a building or land specified in the application.
- (3) The application may be made by—
- (a) the owner of a building or land; or
 - (b) the purchaser under a contract of sale of a lot of a kind referred to in section 9AA(1) of the **Sale of Land Act 1962**; or
 - (c) a Department Head within the meaning of the **Public Administration Act 2004**; or
 - (d) a public authority; or
 - (e) a municipal building surveyor.
- (4) An application must not be made under this section in relation to an access provision of the building regulations within the meaning of section 160B.

160A Application for determination in respect of building design

- (1) An application may be made to the Building Appeals Board for a determination that a particular design of a building or an element of a building complies with this Act, the building regulations or any document applied, adopted or incorporated in the building regulations.

-
- (2) The application may be made by—
- (a) the owner of the building or land; or
 - (b) the purchaser under a contract of sale of a lot of a kind referred to in section 9AA(1) of the **Sale of Land Act 1962**; or
 - (c) the relevant building surveyor; or
 - (d) the Commission.

160B Application for modification of building regulations relating to access for persons with disabilities

S. 160B
inserted by
No. 5/2011
s. 5.

- (1) An application may be made to the Building Appeals Board for a determination that an access provision of the building regulations—
- (a) does not apply; or
 - (b) applies with the modifications or variations specified in the application—
- to a building, or land on which a building is to be constructed, specified in the application.
- (2) The application may be made by—
- (a) the owner of the building or land; or
 - (b) the purchaser under a contract of sale of a lot of a kind referred to in section 9AA(1) of the **Sale of Land Act 1962**; or
 - (c) a lessee of the building, who proposes to have, or is having, building work carried out in respect of the building; or
 - (d) any person acting on behalf of a person referred to in paragraph (a), (b) or (c), other than the relevant building surveyor.
- (3) An application must be made on the ground that compliance with the access provision of the building regulations would impose unjustifiable hardship on the applicant.

-
- (4) In determining whether compliance with an access provision of the building regulations would impose unjustifiable hardship on the applicant, the Building Appeals Board must take into account all relevant circumstances of the particular case including the following—
- (a) any additional capital, operating or other costs, or loss of revenue, that would be directly incurred by, or reasonably likely to result from, compliance with the provision;
 - (b) any reductions in capital, operating or other costs, or increases in revenue, that would be directly achieved by, or reasonably likely to result from, compliance with the provision;
 - (c) the extent to which the construction of the building has or will be financed by government funding;
 - (d) the extent to which the building—
 - (i) is used for public purposes; and
 - (ii) has a community function;
 - (e) the financial position of the applicant;
 - (f) any effect that compliance with the provision is reasonably likely to have on the financial viability of the applicant;
 - (g) any exceptional technical factors (such as the effect of load-bearing elements on the structural integrity of the building) or geographic factors (such as gradient or topography), affecting a person's ability to comply with the provision;
 - (h) financial, staffing, technical, information and other resources reasonably available to the applicant, including any grants, tax concessions, subsidies or other external assistance provided or available;
-

-
- (i) whether the cost of alterations to make any premises accessible is disproportionate to the value of the building, taking into consideration the improved value that would result from the alterations;
 - (j) benefits reasonably likely to accrue from compliance with the provision, including benefits to persons with disabilities, to building users or to other affected persons, or detriment likely to result from non-compliance;
 - (k) detriment reasonably likely to be suffered by the applicant, building developer, or building manager, or by persons with disabilities or other building users, including in relation to means of access, comfort and convenience, if compliance with the provision is required;
 - (l) if detriment under paragraph (k) involves loss of heritage significance, the extent to which the heritage features of the building are essential, or merely incidental, to the heritage significance of the building;
 - (m) any evidence regarding efforts made in good faith by the applicant or a person required to comply with the provision, including consulting access consultants or the relevant building surveyor;
 - (n) if the applicant has given an action plan (within the meaning of Part 3 of the Disability Discrimination Act 1992 of the Commonwealth) to the Commission under section 64 of that Act, the terms of the action plan and any evidence of its implementation;

-
- (o) the nature and results of any processes of consultation, including at local, regional, State, national, international, industry or other level, involving, or on behalf of the applicant, a building developer, building manager or the relevant building surveyor and persons with disabilities, about means of achieving compliance with the provision, including in relation to the factors listed in this subsection.
- (5) If a substantial issue of unjustifiable hardship is raised having regard to the factors mentioned in subsection (4), the Building Appeals Board must consider the following additional factors—
- (a) the extent to which substantially equal access to public premises is or may be provided otherwise than by compliance with the access provision of the building regulations;
 - (b) any measures undertaken, or to be undertaken, by, on behalf of, or in association with, a person or organisation in order to ensure substantially equal access.
- (6) A determination under this section must provide for compliance with an access provision of the building regulations to the maximum extent not involving unjustifiable hardship.
- (7) For the purposes of this section, *unjustifiable hardship* is to be interpreted and applied having due regard to the rights and interests of all relevant parties.

(8) In this section—

access provision of the building regulations
means—

- (a) a performance requirement—
- (i) that is contained in Section D, Part E3 or Part F2 of the Building Code of Australia Volume One as forming part of the building regulations; and
 - (ii) in respect of which there is an equivalent performance requirement contained in the Access Code within the meaning of the Disability (Access to Premises - Buildings) Standards 2010 of the Commonwealth; and
- Note**
- The Disability (Access to Premises - Buildings) Standards 2010 of the Commonwealth are available from the Australian Government Attorney-General's Department website at www.ag.gov.au.
- (iii) to the extent that the performance requirement relates to the provision of access to buildings and facilities and services within buildings for persons with disabilities; and
- (b) a provision of a document applied, adopted or incorporated by reference in a performance requirement referred to in paragraph (a);

applicant means a person referred to in subsection (2)(a), (b) or (c) who has applied under this section or on whose behalf another person has applied under this section;

Building Code of Australia Volume One means Volume One of the National Construction Code Series including any variations or additions in the Appendix Victoria set out in the Appendices to that Volume;

building developer means a person with responsibility for, or control over, the design or construction of the building and includes any of the following—

- (a) a building practitioner of a category referred to in paragraph (e), (f) or (h) of the definition of ***building practitioner***;
- (b) an architect within the meaning of section 3(1) of the **Architects Act 1991**;

building manager means a person with responsibility for, or control over, the management of the building.

- (9) Division 5 (other than section 161) does not apply to an application under this section.

Division 5—Powers concerning disputes and other proceedings

161 General powers

The Building Appeals Board must consider and determine a matter referred or application made to it under this Act or any other Act and may make any order that it considers appropriate in the circumstances.

162 Special powers—modification of regulations

- (1) Before determining an application under section 160 the Building Appeals Board—
- (a) must consult—
 - (i) any authority that would be a reporting authority if the application were an application for a permit; and
 - (ii) the Commission, if the application discloses that any aspect of the matter has been considered by it; and
 - (iii) if the application shows that any aspect of the matter relates to a building permit, the relevant building surveyor; and
 - (b) if the application concerns a building included in the Heritage Register established under the **Heritage Act 1995**, must consider any recommendation received from the Heritage Council before the hearing of the application; and
 - (c) may consult the municipal building surveyor; and
 - (d) may consult any other body or person.
- (1A) The Building Appeals Board must, on the application of any party to the proceedings, make available a copy of any report or information obtained under subsection (1)(d).
- (2) The Building Appeals Board must not determine that a provision of the building regulations does not apply to a building or land unless satisfied

that, in the particular circumstances, the provision is inappropriate.

- (3) The Building Appeals Board must not determine that a provision of the building regulations applies to a building or land in a modified or varied form unless satisfied that to do so is reasonable and not detrimental to the public interest.
- (4) The Building Appeals Board may make its determination of an application under section 160 subject to all or any of the following conditions—
 - (a) requiring an owner of land to enter into an agreement with a reporting authority or, if there is no reporting authority, with the relevant council; or
 - (b) directing a reporting authority or council to enter into that agreement; or
 - (c) specifying the terms of that agreement; or
 - (d) any other terms and conditions that it considers appropriate.
- (5) A reporting authority or council is authorised to enter into an agreement for the purposes of this section.

163 Agreements

An agreement required to be entered into by a determination under section 162—

- (a) must be in writing under seal; and
- (b) if its terms are not specified in the determination—
 - (i) must provide that the owner agrees to be bound by the covenants in the agreement; and

- (ii) may prohibit, restrict or regulate the use or development of land or a building or any matter or thing related to that land or building; and
 - (iii) may provide that the agreement lapses at the end of a specified period, on the happening of a specified event, or when the land ceases to be used or developed for a specified purpose; and
 - (iv) is subject to the provisions of this Act concerning termination and variation of agreements; and
- (c) may apply to land even though it was not the subject of the application for the determination.

164 Termination and variation of agreements

- (1) With the approval of the Building Appeals Board, an owner and a reporting authority or an owner and a council (as the case requires) may, by further agreement, terminate or vary an agreement under this Division. S. 164(1)
amended by
No. 71/1995

- (2) With the approval of the Building Appeals Board, a reporting authority or council may terminate or vary an agreement under this Division in the manner specified in the Board's approval. S. 164(2)
amended by
No. 71/1995
s. 13(4).
- (3) Subject to this section and to a term of an agreement referred to in section 163(b)(iii) an agreement cannot be terminated.
- (4) An owner, a reporting authority or a council may apply to the Building Appeals Board for approval under this section and the Board may by determination— S. 164(4)
amended by
No. 71/1995
s. 13(5).
 - (a) grant approval; or

s. 165

- (b) grant approval with conditions; or
- (c) refuse approval.

165 Lodging and recording of agreements

S. 165(1)
amended by
No. 71/1995
s. 13(6).

- (1) Without delay after entering into an agreement under section 163 or 164 or after an agreement is terminated or varied, a reporting authority or council (as the case requires) must—

- (a) lodge a copy of the agreement or variation with the Building Appeals Board or give notice of the termination to the Board; and

S. 165(1)(b)
substituted by
No. 85/1998
s. 24(Sch.
item 6.2).

- (b) apply in a form approved by the Registrar of Titles to have a recording of the agreement or the variation or termination of the agreement made in the Register.

S. 165(1)(c)
repealed by
No. 85/1998
s. 24(Sch.

- (2) On an application under this section, the Registrar of Titles must make any amendments to the Register under the **Transfer of Land Act 1958** that are necessary because of the application and may dispense with the production of any relevant certificate of title or other instrument.

S. 165(3)
amended by
No. 85/1998
s. 24(Sch.
item 6.3).

- (3) Once an agreement is recorded in the Register under the **Transfer of Land Act 1958**—
 - (a) the burden of any covenant in the agreement (whether positive or negative) runs with the land, even though there may be no land benefited by the covenant; and
 - (b) any covenant in the agreement may be enforced as a restrictive covenant and binds the owner of the land and the owner's successors in title.

- (4) The amendment of this section by section 24 of the **Transfer of Land (Single Register) Act 1998** does not affect the operation, effect or enforcement of a covenant in an agreement entered into under section 163 or 164 and registered under the **Property Law Act 1958** and existing immediately before the commencement of that section 24.

PART 11—REGISTRATION OF BUILDING PRACTITIONERS

Division 1—Registration

169 Application for registration

- (1) A natural person may apply to the Building Practitioners Board to be registered as a building practitioner.
- (2) The application must—
 - (a) be in writing; and
 - (b) state each category or class of registration sought; and
 - (c) be in accordance with the regulations; and
 - (ca) be accompanied by the prescribed information relating to the character of the applicant; and
 - (d) be accompanied by the appropriate fee determined in accordance with the guidelines under Division 1 of Part 12; and
 - (e) if, under Part 9 the applicant is required to be covered by insurance, include proof that—
 - (i) the applicant is covered by the required insurance; or
 - (ii) to the extent that a builder is engaged in domestic building work, the applicant is eligible to be covered by the required insurance.
- (2A) An application for registration as a building surveyor must specify one of the following classes of registration—
 - (a) building surveyor (unlimited);
 - (b) building surveyor (limited).

- (3) The Board may ask the applicant to give it any more information that it reasonably requires to determine the application and may refuse the application if the applicant does not comply with the request within a reasonable time.

170 Registration

- (1) The Building Practitioners Board must register an applicant in each category or class applied for if it is satisfied that the applicant—
- (a) has complied with section 169; and
 - (b) either—
 - (i) holds an appropriate prescribed qualification; or
 - (ii) holds a qualification that the Board considers is, either alone or together with any further certificate, authority, experience or examination equivalent to a prescribed qualification; and
 - (c) is of good character; and
 - (d) has complied with any other condition prescribed for registration in that category or class.
- (2) The Building Practitioners Board may refuse to register an applicant if the requirements of subsection (1) are not met.

- (4) The suspension lasts until the person—
- (a) pays the appropriate annual fee and any appropriate fee for late payment determined in accordance with guidelines under Division 1 of Part 12; and
 - (b) gives the Board written proof that—
 - (i) until the next anniversary of his or her registration or, subject to such conditions as the Board may impose, any lesser period approved by the Board, he or she will be covered by the required insurance (if any); or
 - (ii) to the extent that a builder is engaged in domestic building work, he or she is eligible to be covered by the required insurance (if any).

When that payment is made and that proof is given, the Board must revoke the suspension.

S. 172(4A)
inserted by
No. 71/1995
s. 16.

- (4A) Despite anything to the contrary in subsection (4), the Board may decide not to revoke the suspension of a person who has been suspended for more than 3 years unless the Board is satisfied that the person—
- (a) is of good character; and
 - (b) had a satisfactory reason for the extended period of suspension.
- (5) As soon as possible after a registered building practitioner—
- (a) complies with subsection (2); or
 - (b) has the suspension of his or her registration revoked under subsection (4)—

the Board must cause a new building practitioner's certificate to be issued and given to the person.

- (6) The building practitioner's certificate must—
- (a) state the person's name and category or class of registration; and
 - (b) state that it is current for a specified period ending on the next anniversary of the practitioner's registration; and
 - (c) otherwise be in accordance with the regulations.
- (7) The Registrar may issue a duplicate building practitioner's certificate, if the registered building practitioner requests this, pays the appropriate prescribed fee, and satisfies the Registrar that the original certificate is lost or destroyed.

Penalty: 10 penalty units.

S. 172A inserted by No. 36/2008 s. 6.

173 The Register

- (1) The Registrar of the Building Practitioners Board must keep a Register, divided into the various prescribed categories and classes of building practitioners, of the names and categories or classes of registration of persons currently registered under this Part.
- (2) A registered building practitioner must notify the Board of any change in the information about the practitioner appearing in the Register without delay after the change occurs, and the Registrar must update the Register accordingly.
- (3) The Register must be in accordance with the regulations.

174 Suspension where insurance ceases

- (1) The Building Practitioners Board must suspend a person's registration under this Part if it becomes aware that the person has ceased to be covered under any insurance required under Part 9.
- (2) The Board must give the person written notice of the suspension of the person's registration under subsection (1).
- (3) The suspension lasts until the person gives the Board written proof that he or she is covered by the required insurance and that the cover is provided until the next anniversary of his or her registration and, when that proof is given, the Board must revoke the suspension.

174A Suspension of registration where failure to comply with insurer's direction

S. 174A
inserted by
No. 91/1995
s. 146.

- (1) An insurer may apply to the Building Practitioners Board for the suspension of the registration of a domestic builder on the ground of a failure by the builder to comply with a reasonable direction of the insurer in respect of the completion or rectification of defective building work or any payment to be made to the insurer in respect of the completion or rectification of defective building work in accordance with required insurance or in accordance with a guarantee under the **House Contracts Guarantee Act 1987** or a failure by the builder to comply with a direction under section 44 of the **House Contracts Guarantee Act 1987**.
- (2) An application under subsection (1) must—
 - (a) be in writing; and
 - (b) set out the terms of the direction to be complied with.
- (3) The Building Practitioners Board must notify the builder without delay of that application and advise the builder—
 - (a) that his or her registration under this Part may be suspended at the end of 28 days after the date of the notice unless the builder complies with the direction; and

S. 174A(1)
amended by
No. 26/2001
s. 11(1).

- (b) that he or she has a right to be heard by the Building Practitioners Board in respect of the application.
- (4) If a builder has not complied with the direction within 28 days after the date of the notice, the Building Practitioners Board, after giving the builder an opportunity to be heard, may suspend the builder's registration under this Part.
- (5) The Board must give the builder written notice of the suspension of the builder's registration under subsection (4).
- (6) The suspension lasts until—
 - (a) the Building Practitioners Board is satisfied that the builder has complied with the direction; or
 - (b) it is cancelled by the Building Appeals Board under section 143.

175 Consequences of suspension of registration

While a person's registration as a building practitioner is suspended under this Part, he or she is deemed not to be registered under this Part.

176 Offences

- (1) A person who is not registered in the appropriate category or class under this Part must not take or use any of the following titles—
 - (a) building practitioner or registered building practitioner; or
 - (b) building surveyor, building surveyor (unlimited) or building surveyor (limited); or
 - (c) building inspector; or
 - (d) engineer, if the use of the title relates to the building industry; or

Division 2—Inquiries

177 Preliminary assessment

- (1) The Building Practitioners Board may appoint a person to report and make recommendations to it on whether or not it should hold an inquiry into the conduct or ability to practise of a registered building practitioner.
- (2) The appointment may be made on the initiative of the Board or after the Commission has referred a matter to the Board or a person has requested the Board to hold an inquiry.
- (3) The appointed person must investigate the matter referred by the Board, and report and make recommendations to the Board in accordance with the terms of the appointment.

178 Inquiries

- (1) Subject to section 179A(2), the Building Practitioners Board may conduct an inquiry about the conduct or ability to practise of a registered building practitioner—
 - (a) on its own initiative; or
 - (b) on the recommendation of a person appointed under section 177; or
 - (c) on a referral by the Commission; or
 - (ca) on a referral by the Victorian Civil and Administrative Tribunal; or

(a) give notice in the prescribed form of the suspension of the registration to any person who has a contract with the person relating to, or arising out of, the carrying out of his or her work as a registered building practitioner; and

(b) give a copy of the notice to the Board.

Penalty: 10 penalty units.

179 Inquiry into conduct

- (1) On an inquiry into the conduct of a registered building practitioner, the Building Practitioners Board may make any one or more of the decisions mentioned in subsection (2) if it finds that the registered building practitioner—
- (a) is guilty of unprofessional conduct; or
 - (b) has failed to comply with this Act or the regulations; or
 - (c) has failed to comply with a determination of the Building Appeals Board or a direction of the Commission; or
 - (d) has been guilty of conduct in relation to his or her practice as a building practitioner which—
 - (i) is constituted by a pattern of conduct or by gross negligence or gross incompetence in a particular matter; and
 - (ii) shows that he or she is not a fit and proper person to practise as a building practitioner; or
 - (da) has shown in the information provided to the Board under section 172A that he or she is not a fit and proper person to practise as a building practitioner; or
 - (e) has employed or engaged to do, on his or her behalf, work of a kind that can only be done by a person registered under this Part in a particular category or class, a person who is not so registered; or
 - (f) has obtained his or her registration under this Part or any required insurance by fraud or misrepresentation; or

180A Complaints concerning builders etc. are privileged

If a person—

- (a) lodges a complaint with the Board or requests an inquiry under section 178; or
- (b) produces or gives a document or any information or evidence to the Board or a person conducting an investigation under section 177—

the person is not liable in any way for any loss, damage, or injury suffered by another person by reason only of the lodging of that complaint or the requesting of the inquiry or the production or giving of that document, information or evidence.

S. 181
amended by
No. 34/1997
s. 13.

181 Costs

If on an inquiry the Building Practitioners Board makes a finding favourable to a registered building practitioner, it may pay that practitioner's reasonable costs of and incidental to the inquiry.

182 Decisions

- (1) Without delay after the Building Practitioners Board makes a decision on an inquiry, the Registrar must give written notice of the decision to—
 - (a) the registered building practitioner who is the subject of the inquiry; and
 - (b) the Commission, if it referred the matter to the Board; and

-
- (ba) the Victorian Civil and Administrative Tribunal, if it referred the matter to the Board; and
- (bb) an insurer, if the insurer referred the matter to the Board; and
- (c) any person who requested the Board to hold the inquiry.
- (2) Any amount which the Board requires a registered building practitioner to pay by way of costs or a fine under this Division may be recovered as a debt due to the Board in any court of competent jurisdiction.
- (3) If the Board is aware that a registered building practitioner is a member of a professional association or is employed by a particular person, the Board must cause notice of any decision concerning the practitioner made under section 179 or 180 to be given to that association and employer as soon as possible after the decision takes effect or is confirmed on appeal.
- (4) A person who has had his or her registration as a building practitioner cancelled or suspended under section 179 or 180 must, as soon as possible after the decision to cancel or suspend the registration takes effect or is confirmed on appeal—
- (a) give notice in the prescribed form of the cancellation or suspension of the registration to any person who has a contract with the person relating to, or arising out of the carrying out of his or her work as a registered building practitioner; and

to submit a list of 3 names within a period specified in the request.

- (6) The Minister may nominate a person for appointment under subsection (2)(b) without considering a list of names if an organisation requested to submit that list has not complied with the request.
- (7) A person cannot at the same time be a member of the Building Practitioners Board and be the Commissioner or a member of the Building Appeals Board.

185 Co-opted members

- (1) To assist in considering a particular matter, the Building Practitioners Board may co-opt any person to be a member of the Board.
- (2) The Board may at any time remove a co-opted member from office.
- (3) The provisions of Schedule 3 applying to members of the Building Practitioners Board appointed by the Governor in Council also apply to co-opted members.

186 Sub-committees

- (1) The Building Practitioners Board may establish and dissolve sub-committees and define their functions, procedure and membership.
- (2) A member of a sub-committee does not have to be a member of the Board.
- (3) A member of a sub-committee is entitled to receive—
 - (a) any remuneration; and
 - (b) any travelling or other allowances—fixed from time to time by the Minister in respect of that member.

186A Delegation

- (1) The Building Practitioners Board may, by instrument, delegate the Board's functions under section 172(3) and (4) to the chairperson or a member of the Board.

- (2) The Building Practitioners Board may, by instrument, delegate the Board's functions under sections 25D, 25E(1), 25E(3) and 170(1) to the Registrar of the Board.

inserted by
No. 30/2001
s. 3.

- (1) The Minister may from time to time issue guidelines relating to the design and siting of single dwellings.
- (2) Without limiting subsection (1), these matters may include—
 - (a) matters relating to the consideration of neighbourhood character and amenity and the acceptability of the design and siting of the proposed dwelling in the neighbourhood;
 - (b) matters relating to the availability of light to, and the overshadowing of, nearby buildings and allotments;
 - (c) matters relating to privacy and overlooking, in relation to nearby buildings and allotments;

-
- (d) matters relating to the height of a building, and the distances from buildings to the boundaries of an allotment or to nearby buildings;
 - (e) matters relating to how much of an allotment may be used for buildings, how much of an allotment may be covered by impermeable surfaces and the provision of open spaces on an allotment;
 - (f) matters relating to the preservation of trees, and of architectural or heritage features;
 - (g) matters relating to the provision of car parking in relation to an allotment;
 - (h) matters relating to the use of impermeable surface materials on an allotment and their effect on drainage and runoff;
 - (i) matters relating to the energy efficiency of buildings;
 - (j) matters relating to fences and boundary walls on an allotment.
- (3) The guidelines must be published in the Government Gazette.
- (4) In this section *single dwelling* means a building, or buildings, of a class specified by the regulations for the purposes of this section that is, or are, intended to be used as a dwelling.

189 Delegation

The Minister may by instrument delegate to the Commission any of the Minister's functions under this Act, other than this power of delegation.

190 Minister may require Commission to act as building surveyor

- (1) If the Minister is of the opinion that it is in the public interest to do so the Minister may declare that for specified building work or a specified building or land, any or all of the functions of a municipal building surveyor under this Act and the regulations are to be carried out by the Commission¹¹.
- (2) A declaration under subsection (1) must be published in the Government Gazette.

191 Administration and enforcement outside municipal district

- (1) The Minister may declare that the administration and enforcement of Parts 3, 4, 5, 7 and 8 and the building regulations in any area not being part of a municipal district is to be carried out—
 - (a) by a person or body specified by the Minister; and
 - (b) in accordance with the directions of the Minister.
- (2) A declaration or direction under subsection (1) must be published in the Government Gazette.
- (3) Parts 3, 4, 5, 7 and 8 and the building regulations apply to an area referred to in subsection (1) as if—
 - (a) any reference to a council were a reference to the person or body specified in the declaration; and
 - (b) any reference to a municipal building surveyor were a reference to a building surveyor registered under Part 11 and authorised in writing by that person or body; and

- (c) any reference to a municipal district were a reference to that area; and

**Division 2—The Building Commission, the Building
Administration Fund and the building permit levy**

Pt 12 Div. 2
(Heading)
amended by
No. 68/2001
s. 3(2).

193 Establishment of the Commission

- (1) There is established by this Act a body to be called the Building Commission.
- (2) The Commission—
 - (a) is a body corporate with perpetual succession; and
 - (b) shall have an official seal; and
 - (c) may sue and be sued in its corporate name; and
 - (d) may acquire, hold and dispose of real and personal property for the purpose of performing its functions; and
 - (e) may do and suffer all acts and things that bodies corporate may by law do and suffer and that are necessary or incidental for the performance of its functions.
- (3) The official seal of the Commission must be kept in the custody that the Commission directs and must not be used except as authorised by the Commission.
- (4) All courts must take judicial notice of the official seal of the Commission affixed to a document and must presume that it was duly affixed.

S. 193(1)
amended by
No. 68/2001
s. 3(3).

194 Constitution of the Commission

- (1) The Commission is constituted by a Commissioner who is to be appointed by the Governor in Council on the Minister's recommendation.
- (2) The Commissioner must not engage in paid employment outside the duties of his or her office without the Minister's permission.
- (3) If the Commissioner was immediately before his or her appointment a member of a statutory superannuation scheme within the meaning of the **Superannuation (Public Sector) Act 1992**, he or she continues while so appointed, subject to the Act under which the statutory superannuation scheme is created, to be a member of that scheme.
- (4) Subject to subsection (5), clauses 1 to 6 and 9 of Schedule 3 apply to the Commissioner in the same way as they apply to a chairperson or member of a Board.

S. 194(5)
repealed by
No. 42/1995
s. 224(Sch. 2
item 6).

195 Accountability of the Commission

- (1) The Commission is subject to the direction and control of the Minister. Those directions may be general or specific.
- (2) In giving a direction under subsection (1) the Minister may have regard to any advice of the Building Advisory Council.
- (3) The Commission must give the Minister any information and assistance that the Minister requires and the Commission is able to give.

196 Functions of the Building Commission

The functions of the Building Commission are—

- (a) to monitor and enforce compliance with the provisions of this Act and the regulations relating to building and building practitioners;
- (b) to participate on behalf of Victoria in the development of national building standards;
- (c) to monitor developments relevant to the regulation of building standards in Victoria;
- (d) to monitor the system of collection of the building permit levy;
- (e) to administer the Building Administration Fund;
- (f) to disseminate information (including dissemination to consumers) on matters relating to building standards and the regulation of buildings and building practitioners;

* * * * *

- (h) to provide information and training to assist persons and bodies in carrying out functions under this Act or the regulations (except Part 12A and the regulations under that Part);
- (i) to charge and collect fees (determined in accordance with this Act) for information and training services provided by it;
- (j) to promote the resolution of consumer complaints about work carried out by builders;

196A Commission may provide information to the Director of Consumer Affairs Victoria

S. 196A
inserted by
No. 36/2002
s. 12,
amended by
No. 30/2003
s. 82(3).

The Commission may provide the Director of Consumer Affairs Victoria with any information held by the Commission in relation to a domestic building dispute (within the meaning of section 3 of the **Domestic Building Contracts Act 1995**) if the Commission considers that the provision of the information will assist in the resolution of the dispute.

197 Delegation

The Commission may, by instrument, delegate any of its functions to any person, except this power of delegation, any power delegated to it by the Minister, or its powers under section 198.

198 Supervision of building surveyors

- (1) If a matter concerning a registered building surveyor comes to the notice of the Commission and it is within the jurisdiction of the Building Practitioners Board, the Commission may refer the matter to that Board.
- (2) If the Commission considers it necessary to do so for the proper administration of this Act or the regulations, it may direct a municipal building surveyor or private building surveyor to carry out his or her functions under this Act or the regulations—
 - (a) in accordance with this Act or the regulations; or
 - (b) within a period specified in the direction.
- (3) The Commission cannot under subsection (2)(b) vary a time limit prescribed by this Act or the regulations.
- (4) If the Commission considers it necessary to do so for the proper administration of this Act or the regulations, it may recommend to the person who appointed a municipal building surveyor or private building surveyor that the person take action specified by the Commission.
- (5) Before making a direction or recommendation under this section, the Commission must give written notice of its intention to the municipal building surveyor or private building surveyor and give the building surveyor a reasonable opportunity to make submissions about the matter.
- (6) The Commission must give a copy of any direction or recommendation under this section to the municipal building surveyor or private building surveyor concerned.

199 Special powers of the Commission as building surveyor

- (1) In addition to any function of a municipal building surveyor conferred on the Commission under Division 1, the Commission may carry out the functions of a municipal building surveyor under this Act and the regulations—
 - (a) in relation to any application made to the Commission under Part 3; and
 - (b) in relation to any matter referred to the Commission by a private building surveyor under Part 8; and
 - (c) in relation to a place of public entertainment (other than a prescribed temporary structure) for which the Commission has issued an occupancy permit.
- (2) In carrying out a function of a municipal building surveyor conferred on the Commission under Division 1 or subsection (1), the Commission has the same powers that the municipal building surveyor would have to carry out that function.
- (3) A determination of the Commission in carrying out a function of a municipal building surveyor must be given effect to as if it were the determination of a municipal building surveyor.
- (4) If, in carrying out any function of a municipal building surveyor, the Commission carries out any work or takes any action under Part 8, the Commission may—
 - (a) recover the costs of carrying out the work or taking the action from the owner in a court of competent jurisdiction as a debt due to the Commission; and

S. 199(1)(a)
amended by
No. 34/1997
s. 16.

- (b) apply any sum or part of any sum for which a bond or undertaking is deposited with the Commission under a condition imposed on a permit under section 22 towards the costs of carrying out the work or taking the action.
- (5) The Commission is, and may carry out the functions of, the relevant building surveyor under Part 5 in relation to—
 - (a) an application to the Commission for an occupancy permit under section 53(2); and
 - (b) the issue of that permit; and
 - (c) the amendment or cancellation of that permit.
- (6) If, under this section, the Commission carries out any function in relation to building work or a building or land, a municipal building surveyor or private building surveyor must not carry out that function in respect of that building work, building or land.
- (7) If an application is made to the Commission under this Act for a permit or temporary approval or an amendment to a permit or approval, section 66 or clause 1 of Schedule 2 (as the case may be) applies as if any reference in that section or clause to the **Local Government Act 1989** were a reference to guidelines under section 188 of this Act.

200 Building Administration Fund

- (1) The Commission must establish a fund to be called the Building Administration Fund.
- (2) The fund is divided into—

201 Building permit levy

(1) There is imposed by this Act a building permit levy of .064 cents in every dollar of the cost of building work for which a building permit is sought.

* * * * *

S. 201(1A) inserted by No. 71/1995 s. 17, amended by No. 34/1997 s. 17(1), substituted by No. 26/2001 s. 13(1), repealed by No. 26/2001 s. 14(1).

(1B) A building permit levy is not payable under subsection (1) or (1C) in relation to an application for a building permit if the cost of the building work is \$10 000 or less.

S. 201(1B) inserted by No. 26/2001 s. 13(1), amended by Nos 36/2002 s. 14(1), 26/2001 s. 14(2) (as amended by No. 33/2010 s. 54).

(1C) There is imposed by this Act, in addition to the levy imposed by subsections (1) and (1A), a building permit levy of .064 cents in every dollar of the cost of building work for which a building permit is sought.

S. 201(1C) inserted by No. 36/2002 s. 14(2).

(2) The levy is payable by the applicant for the building permit and must be paid before the building permit can be issued.

(3) Subsection (2) does not stop the application being considered pending payment of the levy.

-
- (4) In addition to anything else required to be stated in an application for a building permit, that application must state—
- (a) the contract price for the building work (including the cost of labour and materials), if there is a contract for the work; or
 - (b) in any other case, sufficient information to enable the relevant building surveyor to estimate the cost of the building work (including the cost of labour and materials).
- (5) The relevant building surveyor must estimate the cost of the building work for which the application is sought (including the cost of labour and materials), having regard to the information given under subsection (4)(a) or (b), and must without delay give written notice of the estimate and the amount of levy payable to the applicant.
- (6) Without limiting the other circumstances in which a relevant building surveyor can refuse application for a permit, the relevant building surveyor must refuse an application for a building permit if—
- (a) the levy is not paid at the end of 90 days after the building surveyor gives the applicant written notice of the estimated cost of the building work; or
 - (b) the building surveyor is satisfied that the contract price for the work specified in the application is substantially lower than the price normally payable under contracts for work of that kind; or
 - (c) the building surveyor is satisfied that the application does not comply with subsection (4)(b) or contains statements about the cost of the building work that are false or misleading in a material respect.

(7) A relevant building surveyor must in accordance with the regulations—

S. 201(7)
substituted by
No. 34/1997
s. 17(2).

(a) keep records of—

(i) amounts received by the building surveyor on account of the levy; and

(ii) amounts of levy forwarded to the Commission by the building surveyor; and

(b) make those records available to be inspected by or on behalf of the Commission; and

(c) pay the amounts received by the building surveyor into the Building Administration Fund; and

(d) give to the Commission periodic returns setting out—

(i) whether or not the building surveyor has received an amount of levy in the return period; and

(ii) if an amount has been received, the amounts received and the amounts forwarded to the Commission; and

(iii) any other prescribed information.

(7A) On the application of a relevant building surveyor, the Commission may exempt the building surveyor from the requirements of subsection (7)(d) for a specified period if the Commission is satisfied that due to illness or other reasonable cause the building surveyor will not be in receipt of any amount of levy during that period.

S. 201(7A)
inserted by
No. 34/1997
s. 17(2).

(7B) An application and an exemption under subsection (7A) must be in writing.

- (8) The Commission may recover money payable to the Building Administration Fund under subsection (7) as a debt due to the Commission in any court of competent jurisdiction.
- (9) The levy is not payable in respect of an application for a building permit made before the commencement of this section.
- (10) The additional levy imposed by subsection (1A) is not payable in respect of an application for a building permit made before the commencement of section 13 of the **House Contracts Guarantee (HH) Act 2001**.
- (11) The additional building levy imposed by subsection (1C) is not payable in respect of an application for a building permit made before 1 July 2002.

205 Staff and other appointed persons

- (1) There may be appointed or employed—
- (a) a Registrar of the Building Appeals Board;
and
 - (b) a Registrar of the Building Practitioners Board; and
 - (c) any other staff and persons necessary for the purposes of this Act.
- (2) A person appointed or employed under subsection (1) may at the discretion of the Commission be appointed or employed—

- (a) under Part 3 of the **Public Administration Act 2004**;
- (b) as an employee of the Commission; or
- (c) under contract with the Commission.
- (3) A person appointed or employed under subsection (1) to whom subsection (2)(b) or (c) applies is not subject to the **Public Administration Act 2004** in respect of that employment.
- S. 205(2)(a) substituted by No. 46/1998 s. 7(Sch. 1), amended by No. 108/2004 s. 117(1) (Sch. 3 item 21.1).

- (4) The Minister may appoint an otherwise eligible person to be a member of the Committee without a nomination or list of names, if that request is not complied with.
-

- (5) Parts 1 and 2 (except for clause 8) of Schedule 3 apply to the membership and procedure of the Building Regulations Advisory Committee in the same way as they apply to a Board.

211 Functions of Committee

The following are the functions of the Building Regulations Advisory Committee—

S. 211(a)
amended by
No. 54/2007
s. 11(2).

- (a) to advise the Minister on draft regulations prepared under this Act, and in particular the extent to which they promote the objectives of this Act, are cost effective and are necessary;
- (b) to accredit building products, construction methods or designs, components or systems connected with building work for the purposes of this Act and the building regulations;
- (c) to advise the Minister on any matter referred to it by the Minister;
- (d) any other functions conferred by or under this or any other Act.

Division 5—Role of councils

212 Council to administer building provisions in its municipal district

- (1) Except where otherwise expressly provided in this Act or the building regulations, a council is responsible for the administration and enforcement of Parts 3, 4, 5, 7 and 8 and the building regulations in its municipal district.
- (2) Nothing in this section limits a council's powers to act outside its municipal district.

213 Appointment of municipal building surveyor

A municipal council must not appoint, employ or nominate a person as its municipal building surveyor unless the person is registered as a building surveyor (unlimited).

214 Agreements with other councils or the Commission

- (1) Despite anything to the contrary in the **Local Government Act 1989**, a council may enter into an agreement with any other council or with the Commission in respect of the carrying out by the Commission or the municipal building surveyor of the second council of any of the functions under this Act or the regulations of the municipal building surveyor of the first council.
- (2) If a council enters into an agreement with another council under subsection (1) in respect of the carrying out of the functions of a municipal building surveyor, the municipal building surveyor of the second council is deemed, while the agreement is in force, to be the municipal building surveyor of the first council for the purpose of carrying out the functions set out in the agreement.
- (3) If the Commission enters into an agreement with a council under subsection (1) in respect of the carrying out of the functions of a municipal building surveyor, the Commission is deemed, while the agreement is in force, to be the municipal building surveyor of that council for the purpose of carrying out the functions set out in the agreement.
- (4) Nothing in this section prevents the Commission or a council from entering into agreements in respect of the carrying out of the functions of the

municipal building surveyor of more than one council.

215 Agreement with private building surveyor

- (1) Despite anything to the contrary in the **Local Government Act 1989**, a council may enter into an agreement with a private building surveyor to carry out the functions under this Act and the regulations of the municipal building surveyor of the council.
- (2) A private building surveyor who enters into an agreement with a council under subsection (1)—
 - (a) is deemed to be the municipal building surveyor of that council for the purpose of carrying out the functions set out in the agreement; and
 - (b) despite anything to the contrary in the **Local Government Act 1989**, is not a member of staff of the council.

216 Council to charge commercial rates for work outside municipal district

- (1) If a council or its municipal building surveyor carries out any function under this Act or the building regulations in respect of a building or land outside the council's municipal district, then despite anything to the contrary in the **Local Government Act 1989**, the fees or charges payable to the council or municipal building surveyor in respect of the carrying out of that function must be not less than the total cost of carrying out that function.
- (2) Subsection (1) does not apply to a function carried out by a council or municipal building surveyor on behalf of another council or municipal building surveyor.

216A Exemption from functions in relation to certain permits

S. 216A
inserted by
No. 18/1998
s. 8.

- (1) A council may apply to the Minister to exempt its municipal building surveyor from any requirement to consider applications for building permits for building work other than prescribed domestic building work.
- (2) The Minister may grant the exemption if the Minister is satisfied that sufficient private building surveyors are available to consider those applications for building permits in relation to land in the council's municipal district.
- (3) If the Minister grants an exemption in respect of a municipal building surveyor, then, despite anything to the contrary in this Act and while the exemption is in force, an application cannot be made to the municipal building surveyor under Part 3 for a building permit for building work other than prescribed domestic building work.
- (4) The Minister may at any time revoke an exemption given under this section.
- (5) The Minister must cause notice of any exemption or revocation under this section to be published in the Government Gazette.

216C Role of municipal building surveyor outside municipal district

- (1) A municipal building surveyor of a council, with the consent of that council, may be appointed to carry out all or any of the following functions under this Act in respect of land outside the municipal district of that council—
 - (a) the issuing of building permits;
 - (b) the carrying out of inspections of buildings and building work under Part 4;
 - (c) the issuing of occupancy permits and temporary approvals under Part 5.
- (2) In addition to subsection (1), a municipal building surveyor of a council who is appointed pursuant to subsection (1) may carry out outside the municipal district of that council any other functions conferred on a private building surveyor by this Act or the regulations.
- (3) A municipal building surveyor may use the title of municipal building surveyor in carrying out functions referred to in this section.
- (4) Sections 78 to 83 apply to a municipal building surveyor who is appointed to carry out functions pursuant to subsection (1) as if—
 - (a) a reference in sections 78(1), 78(3) and 78(4), 79(1), 79(2), 80, 81(1) to 81(3) and 83 to a private building surveyor were a reference to the municipal building surveyor; and

- (b) a reference in sections 78(2), 79(3), 81(4), 82(1)(b) and 82(3) to a private building surveyor (where first occurring) were a reference to the municipal building surveyor; and
 - (c) a reference in section 82(2) to a private building surveyor (where first and thirdly occurring) were a reference to the municipal building surveyor; and
 - (d) a reference in sections 81(4) and 82 to a private building surveyor's functions were a reference to the municipal building surveyor's functions; and
 - (e) a reference to a function set out in section 76 of the Act were a reference to a function set out in subsection (1).
- (5) Nothing in this section limits or affects the operation of sections 191, 192, 214, 215, 216 or 221.
- (6) The enactment of this section does not affect the validity of any permit issued by a municipal building surveyor of a council outside the municipal district of that council before that enactment.

Division 6—The Crown and public authorities

217 Application of Act to the Crown and public authorities

- (1) Subject to subsection (2), Parts 2, 3, 4, 5, 7, 9, 10, 11, and 12A and section 201 and this Division—
- (a) bind the Crown in right of the State of Victoria and, so far as the legislative power of Parliament permits, the Crown in all its other capacities; and

221ZB Application for renewal of licence or registration as a plumber

S. 221ZB(1)
amended by
No. 75/1998
s. 5(b).

(1) A plumber wishing to renew his or her licence or registration must apply to the Commission for the renewal at least 2 months before the licence or registration expires.

(2) The application for renewal must—

- (a) be in the form required by the Commission; and

S. 221ZB(2)(a)

| (b) contain the information required by the Commission to enable it to decide whether to grant the renewal. | S. 221ZB(2)(b) amended by No. 75/1998 s. 5(b). |
| (3) In the case of an application for the renewal of a licence, the person applying must also include written proof to the Commission that he or she will be covered by the required insurance until the next anniversary of his or her licensing or, subject to such conditions as the Commission may impose, any lesser period approved by the Commission. | S. 221ZB(3) amended by No. 75/1998 s. 5(b). |
| (4) If required by the Commission, an application for renewal must also be accompanied by a photograph of the plumber that is of the size and in the form specified by the Commission. | S. 221ZB(4) inserted by No. 75/1998 s. 9(2). |
| (5) The Commission may use the photograph provided for the purposes of identification of the plumber and for inclusion in the plumber's renewed licence or registration document. | S. 221ZB(5) inserted by No. 36/2008 s. 19(2). |
| 221ZC Commission may require further information | S. 221ZC inserted by No. 39/1996 s. 5. |
| (1) The Commission may ask a person applying to have his or her licence or registration renewed for more information concerning the application if it is reasonably necessary to help it to decide whether to grant the application. | S. 221ZC(1) amended by No. 75/1998 s. 5(b). |
| (2) The Commission may refuse to renew a person's licence or registration if he or she does not give it the extra information asked for before the licence or registration expires. | S. 221ZC(2) amended by No. 75/1998 s. 5(b). |

Division 4—Compliance certificates

221ZG This Division does not apply to complex gasfitting work

Nothing in this Division applies to gasfitting work on a complex gas installation (as defined in the **Gas Safety Act 1997**). References to "plumbing work" in this Division are to be read as references to all plumbing work other than that work.

S. 221ZG inserted by No. 39/1996 s. 5, amended by Nos 99/1997 s. 121(5), 91/1998 s. 35.

221ZH Compliance certificate must be given for most plumbing work

- (1) This section only applies to the following plumbing work—
- (a) any plumbing work that has a total value of \$500 or more (or any higher amount fixed by the regulations); and
 - (b) the installation, relocation or replacement of any gas-using appliance; and
 - (ba) the conversion of a gas-using appliance for use with a different gaseous fuel; and

(2A) A person for whom plumbing work to which this section applies has been carried out may, by notice served on the licensed plumber, request the licensed plumber to give the person a signed compliance certificate for the work carried out or supervised by the plumber—

-
- (a) if the plumber has not completed the work that the plumber was engaged to carry out; and
- (b) the person believes on reasonable grounds that the plumber will not complete the plumbing work.
- (2B) Within 5 days of service of a notice under subsection (2A), a licensed plumber must—
- (a) give the person for whom the work was carried out a signed compliance certificate in respect of the work; and
- (b) notify the Commission, in the manner specified by the Commission, that the compliance certificate has been given.
- Penalty: 60 penalty units.
- (3) A document is not a compliance certificate unless the certificate form used is a form that has been supplied by the Commission or a person authorised by the Commission.
- (4) For the purposes of this section plumbing work is completed by a licensed plumber when whichever of the following first occurs—
- (a) the plumber completes the whole of the plumbing work that he or she was engaged to carry out in accordance with the relevant plumbing laws;
- (b) the whole of the plumbing work that the plumber was engaged to carry out is capable of being used in accordance with the relevant plumbing laws.
- (5) If a plumber carries out or supervises any plumbing work to which subsection (1)(b), (ba) or (bb) applies, for the purposes of subsection (2) or (2B) he or she must give a separate compliance certificate in respect of the work for each

221ZKA Issue of certificates by the Commission

- (1) The Commission may authorise a person to issue and sign a compliance certificate on its behalf if plumbing work in respect of which a compliance certificate must be issued under section 221ZH is completed and the licensed plumber who carried out the work—
 - (a) did not issue a certificate in respect of the work, and is dead or cannot be located after reasonable enquiries have been made; or
 - (b) is under a physical or legal disability that prevents him or her from issuing a certificate in respect of the work.
- (2) A person who requests a compliance certificate under this section is liable to pay—
 - (a) any fee or fees specified by the regulations for the purposes of this section; and
 - (b) any costs incurred by or on behalf of the Commission to enable the certificate to be issued and signed.
- (3) Subsection (2) applies even if a certificate is not ultimately issued and signed under this section.

-
- (4) For the purposes of this section, section 221ZI(1) applies as if—
- (a) a reference to a licensed plumber was a reference to the person authorised by the Commission to sign the certificate; and
 - (b) there were substituted for paragraph (b) the following paragraph—
 - "(b) states that he or she has inspected or tested the work as far as is practicable and that he or she is authorised by the Commission to issue compliance certificates under section 221ZKA; and".
- (5) Section 221ZK(a) does not apply to the signing of a compliance certificate by a person who has been authorised to sign the certificate under this section.
- (6) A certificate that is issued under this section is to be treated as if it had been issued in accordance with section 221ZH.

221ZQ Order requiring insurance

- (1) The Minister may, by order published in the Government Gazette—
- (a) require licensed plumbers to be covered by insurance; and
 - (b) specify the kinds and amount of insurance by which licensed plumbers are required to be covered.

-
- (2) An order—
- (a) must state the date on which it is to take effect, which must be a date that is not earlier than 21 days after the date it is published in the Government Gazette;
 - (b) may impose different requirements for different classes of licensed plumbers.
- (3) The Minister may, in a particular case, vary any excess specified in an order if the Minister is satisfied that it is appropriate to do so.
- (4) The Minister may, by order published in the Government Gazette, amend or revoke an order made under subsection (1).
- (5) For the purposes of this Part, a person is covered by the required insurance if—
- (a) the person holds the required insurance; or
 - (b) the work carried out by or on behalf of the person is covered by the required insurance; or
 - (c) the person is not a party to the required insurance but is specified or referred to in the insurance, whether by name or otherwise, as a person to whom the insurance cover extends.
- (5A) The order of the Minister under this section published in the Government Gazette on 28 February 1997 is revoked and is deemed never to have been made.
- (5B) The order of the Minister under this section published in the Government Gazette on 6 May 1997 is deemed to have been made under this section on 28 February 1997 and to have taken effect on 24 March 1997, despite anything to the contrary in this section or in the order.

Penalty: 500 penalty units.

221ZT Further provisions concerning required insurance

- (1) Without limiting section 221ZQ, if an order under that section requires a licensed plumber to be covered by insurance relating to the carrying out of plumbing work, the insurance required by the order may, subject to any exemptions or exclusions set out in the order, relate to losses resulting from—

S. 221ZT inserted by No. 39/1996 s. 5, amended by No. 17/1999 s. 22(8) (ILA s. 39B(1)).

- (a) non-completion of the work;
- (b) defective work;
- (c) conduct by the plumber in connection with the contract for that work that contravenes section 18, 29, 34 or 151, or Subdivision B of Division 1 of Part 3-2, of the Australian Consumer Law (Victoria).

S. 221ZT(1)(c) amended by Nos 17/1999 s. 22(7), 72/2010 s. 48(Sch. item 2(5)).

- (2) A reference—

- (a) in any order made under section 221ZQ; or
- (b) in any instrument or agreement which is required insurance (within the meaning of section 221B(1))—

S. 221ZT(2) inserted by No. 17/1999 s. 22(8), substituted by No. 72/2010 s. 48(Sch. item 2(6)).

to "section 9, 11 or 12 of the **Fair Trading Act 1999**" is, to the extent that it relates to any period on or after the commencement of section 8 of the **Fair Trading Amendment (Australian Consumer Law) Act 2010**, taken to include a reference to "section 18, 29, 34 or 151 of the Australian Consumer Law (Victoria)".

221ZU Suspension of licence if insurance ceases

S. 221ZU inserted by No. 39/1996 s. 5.

No. 75/1998
s. 5(b).

(1) An insurer may apply to the Commission for the suspension of the licence of a licensed plumber on the ground of a failure by the plumber to comply with a reasonable direction of the insurer in respect of the completion or rectification of defective plumbing work or any payment to be made to the insurer in respect of the completion or rectification of defective plumbing work in accordance with the required insurance.

(2) An application must—

- (a) be in writing; and
- (b) set out the terms of the direction to be complied with.

S. 221ZV(3)
amended by
No. 75/1998
s. 5(b).

(3) The Commission must notify a plumber in respect of whom an application is made without delay of the application and advise the plumber—

- (a) that his or her licence may be suspended at the end of 28 days after the date of the notice unless the plumber complies with the direction; and
- (b) that he or she has a right to be heard by the Commission in respect of the application.

S. 221ZV(3)(b)
amended by
No. 75/1998

-
- (4) If a plumber has not complied with the direction within 28 days after the date of the notice, the Commission, after giving the plumber an opportunity to be heard, may suspend the plumber's licence. **S. 221ZV(4) amended by No. 75/1998 s. 5(b).**
- (5) Clauses 12, 15, 16, 17 and 18(1) of Schedule 3 apply to a proceeding under subsection (4) as if a reference in those clauses to the Building Appeals Board was a reference to the Plumbing Industry Commission. **S. 221ZV(5) amended by Nos 75/1998 s. 5(b), 28/2000 s. 20(b).**
- (6) If the Commission suspends a plumber's licence under this section, the suspension lasts until the Commission is satisfied that the plumber has complied with the direction. On being so satisfied, the Commission must revoke the suspension. **S. 221ZV(6) amended by No. 75/1998 s. 5(b).**

Division 7—Rectification of defective plumbing work

221ZW Inspector or auditor may require plumber to rectify faulty work

S. 221ZW inserted by No. 39/1996 s. 5.

- (1) This section applies if a plumbing inspector or compliance auditor is of the opinion that particular plumbing work is in breach of any plumbing laws that apply to the work.
- (2) The inspector or auditor may give the person who carried out the work, or who supervised the carrying out of the work, a written rectification notice requiring the person to rectify the work to make it comply with the plumbing law that the work does not comply with within the time specified by the inspector or auditor.
- (3) If a certificate of compliance was given with respect to the work, the inspector or auditor may also require the licensed plumber who signed the certificate to produce a new certificate of compliance in respect of the rectified work and to give the inspector or auditor a copy of that new

certificate within the time specified by the inspector or auditor.

- (4) In requiring a copy of a new compliance certificate under subsection (3), the inspector or auditor must allow the licensed plumber a period of at least 10 days after the date of the notice to comply with the requirement.
- (5) A person—
 - (a) must comply with any requirement made by an inspector or auditor in a rectification notice; and
 - (b) must not ask for, or receive, from the person for whom the work was originally carried out (or any agent of that person) any money in respect of any cost arising from anything the person does in complying with a rectification notice.

Penalty: 50 penalty units.

- (6) The inspector or auditor must make it clear in a rectification notice in what way the work that needs rectification is defective.
- (7) If a person applies to the Victorian Civil and Administrative Tribunal under section 221ZX to have a rectification notice cancelled, he or she need not comply with the notice until he or she abandons the application or receives written notice that the Tribunal has affirmed the rectification notice or dismissed the application.
- (8) For the purposes of subsection (7), if the time specified to comply with a rectification notice is expressed as a date, the time within which the notice must be complied with is the number of days between that date and the date the notice was given to the person.

S. 221ZW(7)
amended by
No. 28/2000
s. 20(c).

-
- (9) If an inspector or auditor gives a rectification notice to a person before the person produces any compliance certificate that the person is required to produce in respect of particular plumbing work, the person must still produce the compliance certificate once the rectification work has been completed.
- (10) The inspector or auditor must give a copy of the rectification notice to the person on whose behalf the plumbing work was carried out.
- (11) If the rectification notice relates to gasfitting work, the inspector or auditor must give a copy of the rectification notice to the relevant gas distribution company.

221ZZZDA Definitions

In this Division—

authorised officer means—

- (a) the Plumbing Industry Commissioner;
- (b) a plumbing inspector;
- (c) a compliance auditor;
- (d) any other person authorised by the regulations made under this Part to issue plumbing infringement notices under this Division;

infringement penalty in relation to an offence, means—

- (a) the penalty specified in column 2 of Schedule 5 in respect of the corresponding offence listed in column 1 of that Schedule; or
- (b) a penalty prescribed for the purposes of this Division in respect of a prescribed offence;

prescribed offence means—

- (a) an offence against a section listed in column 1 of Schedule 5; or
- (b) an offence—
 - (i) against this Part or the regulations made under this Part; and
 - (ii) which is prescribed for the purposes of this Division.

221ZZZE Plumbing infringement notices

- (1) An authorised officer may serve a plumbing infringement notice on any person that the authorised officer has reason to believe has committed a prescribed offence.
- (2) An offence referred to in subsection (1) for which a plumbing infringement notice may be served is an infringement offence within the meaning of the **Infringements Act 2006**.
- (3) For the purposes of subsection (1), a plumbing infringement notice must—
 - (a) be in the form required by the **Infringements Act 2006** and state the infringement penalty in respect of the offence; and
 - (b) include details of the additional steps (if any) required to expiate the offence.
- (4) An infringement penalty prescribed for the purposes of this Division must not exceed 10 penalty units.

S. 221ZZZE inserted by No. 39/1996 s. 5, substituted by No. 75/1998 s. 17 (as amended by No. 74/2000 s. 3(Sch. 1 item 14)), amended by No. 32/2006 s. 94(Sch. item 4(1)-(3)), substituted by No. 31/2007 s. 14.

221ZZZEA Additional steps required by infringement notice

- (1) Additional steps required to expiate a prescribed offence may include, but are not limited to, the following—
 - (a) the carrying out of any plumbing work if failure to carry out that work constitutes the offence;
 - (b) stopping any plumbing work that constitutes the offence;
 - (c) doing or omitting to do anything in order to remedy a contravention of this Part or the regulations made under this Part.

S. 221ZZZEA inserted by No. 31/2007 s. 14.

-
- (2) If a plumbing infringement notice requires additional steps to be taken to expiate a prescribed offence, and, before the end of the remedy period set out in the notice, or if the authorised officer allows, at any time before the service of a summons in respect of the offence, the person served with the notice informs the authorised officer that those steps have been taken—
- (a) the authorised officer must, without delay, find out whether or not those steps have been taken; and
 - (b) serve on the person a notice stating whether or not those steps have been taken.
- (3) A statement in a notice under subsection (2) that additional steps have been taken is for all purposes conclusive proof of that fact.

S. 221ZZZEB
inserted by
No. 31/2007
s. 14.

221ZZZEB Proceedings where plumbing infringement notice requiring additional steps is served

Nothing in this section prejudices the institution or the prosecution of proceedings for an offence for which a plumbing infringement notice has been served if the notice states that a penalty must be paid and additional steps must be taken to expiate the offence, and—

- (a) the amount of the penalty is not paid before the end of the period for payment shown in the notice or of any further period allowed by the authorised officer; or
- (b) the person served with the notice does not, before the end of the remedy period shown in the notice or of any further period allowed by the authorised officer, take those additional steps.

PART 13—GENERAL ENFORCEMENT PROVISIONS

Division 1—Powers of Minister in relation to councils

222 Order of Minister

If, after due inquiry, the Minister considers that a council or municipal building surveyor has not satisfactorily carried out any function given to the council or building surveyor under this Act or the regulations, the Minister may, by order, direct the council—

- (a) to carry out the function within a specified time; or
- (b) to cause the building surveyor to carry out the function within a specified time, as the case requires.

223 Hearing of council

- (1) Before making an order under section 222, the Minister must give the council concerned an opportunity to be heard.
- (2) The Minister may, by instrument, designate any person or persons—
 - (a) to hear a council or any person representing the council; and
 - (b) to report on that hearing to the Minister; and
 - (c) to make any recommendation to the Minister.
- (3) A hearing under subsection (2) is deemed to be the hearing of the council by the Minister for the purposes of subsection (1).

224 Effect of failure to comply with order

- (1) If a function is not carried out to the satisfaction of the Minister within the time specified in an order under section 222, the Minister may—
 - (a) make any further order that the Minister considers necessary to secure the satisfactory carrying out of the function; or
 - (b) authorise any person to carry out the function.
- (2) If the Minister, or any person on the Minister's behalf, carries out any function under subsection (1), the Minister may by further order direct the council to pay all costs, charges and expenses incurred in carrying out that function and specified in that order (including remuneration of any persons appointed, engaged or employed to carry out that function).
- (3) The Minister may recover the costs, charges and expenses specified in an order under subsection (2) in a court of competent jurisdiction as a debt due to the Crown.

225 Powers of Minister and authorised persons

For the purposes of section 224—

- (a) the Minister and any persons authorised by the Minister have and may exercise all or any of the powers of the council, the municipal building surveyor and the staff of the council in carrying out a function; and
- (b) the Minister may institute and carry on any legal or other proceeding as fully and completely as if the Minister were the council or municipal building surveyor concerned; and

-
- (c) the Minister may institute proceedings against the council or municipal building surveyor or a member of staff of the council without giving that council, building surveyor or member any notice of action required to be given by any Act relating to councils or local government; and
 - (d) the council, the councillors, the municipal building surveyor and members of the staff of the council must assist the Minister and obey all directions given by the Minister in the exercise of any of the powers of the Minister under that section.

226 Minister may seek administrative order

If a council has failed to carry out or cause the carrying out of a function in accordance with an order under section 222 or 223, the Minister has sufficient standing to maintain proceedings for an order in the nature of mandamus or for an order for review under the **Administrative Law Act 1978** to enforce the carrying out of that function by the council or the municipal building surveyor (as the case requires).

227 Other powers not affected

This Division—

- (a) is in aid of and not in derogation from any other powers of the Minister or the Governor in Council; and
- (b) shall not prejudice any other proceeding or remedy against or liability of a council or municipal building surveyor.

- (1) An occupier who consents in writing to entry and search of his or her building or land under section 231 must be given a copy of the signed consent immediately.
- (2) If, in any proceeding, a written consent is not produced to the court, it must be presumed, until the contrary is proved, that the occupier did not consent to the entry and search.

231B Search warrant

S. 231B
inserted by
No. 34/1997
s. 26.

- (1) An authorised person may apply to a magistrate for the issue of a search warrant in relation to a particular building or land if the authorised officer believes on reasonable grounds that there is, or may be within the next 72 hours, on the building or land a particular thing that may be evidence of the commission of an offence against this Act or the regulations.
- (2) A magistrate may issue a search warrant under this section if the magistrate is satisfied by the evidence on oath, whether oral or by affidavit, that there are reasonable grounds for suspecting that there is, or may be within the next 72 hours, on a building or land a particular thing that may be evidence of the commission of an offence against this Act or the regulations.

-
- (3) The search warrant may authorise an authorised person named in the warrant and any assistants the authorised person considers necessary—
- (a) to enter the building or land, or the part of building or land, named or described in the warrant; and
 - (b) to search for a thing named or described in the warrant.
- (4) In addition to any other requirement, a search warrant issued under this section must state—
- (a) the offence suspected; and
 - (b) the building or land to be searched; and
 - (c) a description of the thing for which the search is to be made; and
 - (d) any conditions to which the warrant is subject; and
 - (e) whether entry is authorised to be made at any time or during stated hours; and
 - (f) a day, not later than 7 days after the issue of the warrant, on which the warrant ceases to have effect.
- (5) A search warrant must be issued in accordance with the **Magistrates' Court Act 1989** and in the form prescribed under that Act.
- (6) The rules to be observed with respect to search warrants mentioned in the **Magistrates' Court Act 1989** extend and apply to warrants under this section.

231C Announcement before entry

- (1) Before executing a search warrant, the authorised person named in the warrant or a person assisting the authorised person must announce that he or she is authorised by the warrant to enter the building or land and give any person at the building or land an opportunity to allow entry to the building or land.
- (2) The authorised person or a person assisting the authorised person need not comply with subsection (1) if he or she believes on reasonable grounds that immediate entry to the building or land is required to ensure—
 - (a) the safety of any person; or
 - (b) that the effective execution of the search warrant is not frustrated.

 - (b) in connection with the administration or enforcement of this Act or the regulations; or
 - (c) to give any information the authorised person is authorised, permitted or required to give under this Act or any other Act or the regulations under this Act—

give to any other person, whether directly or indirectly, any information gained in the exercise of the powers as an authorised person.

Penalty: 20 penalty units.

- (2) Subsection (1) does not prevent the giving of information—
- (a) for the purpose of any legal proceedings arising out of this Act or the regulations, or of any report of those proceedings; or
 - (b) with the consent of the Minister.

Division 3—Evidence and notices

235 Evidence of ownership or occupation

- (1) The following is evidence that a person is the owner or occupier of land in any legal proceedings under this Act or the regulations—
 - (a) evidence that the person is liable to be rated in respect of the land; or
 - (b) evidence by a certificate as to any recording in the Register or by a certified reproduction of a registered instrument given under section 114(2) of the **Transfer of Land Act 1958** that any person is the registered proprietor of an estate in fee-simple or of a leasehold estate held of the Crown in any land; or
 - (c) evidence by the certificate of the Registrar-General or a Deputy Registrar-General authenticated by the seal of the Registrar-General that any person appears from the memorial of any deed, conveyance or instrument to be the last registered owner of any land.
- (2) The Registrar-General must provide a certificate under subsection (1)(c) on the written application of a person authorised under Division 4 to bring proceedings who must certify that it is required for legal proceedings under this Act or the regulations.

236 Service of documents—generally

- (1) Any document to be served on or given to a person under this Act or the regulations may be served on or given to the person by—
 - (a) delivering the document to the person; or

-
- (b) leaving the document at the person's usual or last known place of residence or business with a person apparently not less than 16 years of age and apparently residing or employed at that place; or
 - (c) sending the document by post addressed to the person at the person's usual or last known place of residence or business or in any other prescribed manner.
- (2) A building order made under section 112 may be served on any person apparently in charge of the site on which building work is carried out.
 - (3) If a document is to be served on or given to the owner or occupier of any land and the name of that person is not known the document may be addressed to "the owner" or "the occupier".
 - (4) If a document is to be served on or given to the owner or occupier of any land, the document may be put up in a conspicuous position on the land if the name and address of the owner are not known and there is no occupier of the land.
 - (5) If the owner has authorised a person to act on behalf of the owner under this Act or the regulations, any document served on or given to that person under this Act or the regulations is deemed to have been served on or given to the owner.
 - (6) If a document to be served on or given to an owner or occupier of any land is properly served on or given to the owner or occupier of the land the document is binding on every subsequent owner or occupier of the land.

237 Service on Boards

- (1) A document to be served on the Building Practitioners Board must be taken to have been served if it is served on the Registrar of the Building Practitioners Board.

- (4) The occupier of the building or land must comply with the order.

Penalty: 120 penalty units.

- (5) While the occupier of the building or land fails to comply with the order the owner of the building or land is not liable for an offence for failing to carry out the work or do the thing.

251 Occupier or registered mortgagee may carry out work

- (1) If the owner of a building or land is required under this Act or the regulations to carry out any work or do any other thing and the owner does not carry out the work or do the thing, the occupier of that building or land or any registered mortgagee of the land or the land on which the building is situated, may carry out the work or do the thing.
- (2) An occupier may—
- (a) recover any expenses necessarily incurred under subsection (1) from the owner as a debt due to the occupier; or
 - (b) deduct those expenses from or set them off against any rent due or to become due to the owner.
- (3) A registered mortgagee may—
- (a) recover any expenses necessarily incurred under subsection (1) from the owner as a debt due to the mortgagee; or
 - (b) give notice in writing of those expenses to the mortgagor.
- (4) On the giving of notice under subsection (3)(b), the expenses are deemed to be added to the principal sum owing under the mortgage.

-
- (5) If the mortgagor is not the owner the mortgagor may recover the amount deemed under subsection (4) to be added to the principal sum from the owner as a debt due to the mortgagor.
 - (6) This section applies despite any covenant or agreement to the contrary.

252 Vacation of building or land

- (1) The Commission or a council may apply to the Magistrates' Court for a warrant under this section if a person refuses to vacate a building or land when required to do so by order under this Act.
- (2) An application must be accompanied by a copy of the order.
- (3) The Magistrates' Court must issue a warrant under this section if it is satisfied that the building or land referred to in the application is the same as the building or land referred to in the order.
- (4) A warrant under this section may be directed to—
 - (a) a specified member of the police force; or
 - (b) generally all members of the police force.
- (5) A warrant under this section directs and authorises a person to whom it is directed—
 - (a) to enter the building or land (by force if necessary); and
 - (b) with such assistance as is necessary, to compel all persons for the time being occupying the building or land to vacate that building or land.
- (6) The Magistrates' Court may exercise jurisdiction under this section despite any claim of title, question of property or suggestion of right which may be made in any proceedings under this section.

253 Additional orders that may be made by the court

- (1) The Commission or a municipal building surveyor or any other prescribed body or person may bring proceedings in any court of competent jurisdiction for an order under this section in the event of a breach, or threatened or apprehended breach, of this Act or the regulations or a notice, permit, order or determination issued or made under this Act (including a notice or order or determination of the Building Appeals Board).
- (2) The court, if it is satisfied that a breach, or threatened or apprehended breach, has been or will be committed or is likely to be committed, may make any one or more of the following orders—
 - (a) an order to restrain the breach or other conduct by the person by whom the breach is committed or by whom the threatened or apprehended breach is likely to be committed;
 - (b) an order requiring building work or protection work to be carried out;
 - (c) an order requiring the payment of money into court in respect of any building work carried out by, or to be carried out by, the municipal building surveyor;
 - (d) any necessary ancillary orders.
- (3) An application for an order under this section may be made during proceedings for an offence under this Act or the regulations and an order may be made instead of or in addition to any penalty imposed in those or any other proceedings.

- (4) An application may not be made under this section as to a notice or order or other matter that is subject to a proceeding before the Building Appeals Board that has not been finally disposed of.

Division 5—Building infringements

254 Definitions

In this Division—

authorised officer means the holder of a prescribed office or the holder of an office in a prescribed class of officers;

prescribed offence means an offence against this Act or the building regulations which is prescribed for the purpose of this Division.

255 Building infringements

- (1) An authorised officer may serve a building infringement notice on the owner or the occupier of any building or land or any person carrying out building work, if the authorised officer has reason to believe that that person has committed a prescribed offence in respect of the building or land.
- (2) An offence referred to in subsection (1) for which a building infringement notice may be served is an infringement offence within the meaning of the **Infringements Act 2006**.
- (2A) In addition to the details required under section 13 of the **Infringements Act 2006**, the details of the additional steps (if any) required to expiate the offence must be included in an infringement notice served under subsection (1).

- (3) The prescribed penalty for a prescribed offence is the amount, not exceeding 10 penalty units, prescribed for that offence for the purposes of this Division.

256 Additional steps

- (1) Additional steps required to expiate a prescribed offence may include, but are not limited to, the following—
- (a) carrying out any work if failure to carry out the work constitutes the offence;
 - (b) stopping any work that constitutes the offence;
 - (c) doing or omitting to do anything in order to remedy a contravention of the building regulations.
- (2) If a building infringement notice requires additional steps to be taken to expiate an offence, and, before the end of the remedy period set out in the notice, or if the authorised officer allows, at any time before the service of a summons in respect of the offence, the person served with the notice informs the authorised officer that those steps have been taken—
- (a) the authorised officer must, without delay, find out whether or not those steps have been taken; and
 - (b) serve on the person a notice stating whether or not those steps have been taken.
- (3) A statement in a notice under subsection (2) that additional steps have been taken is for all purposes conclusive proof of that fact.

265 Transitional—Effect of change to Commission's name

(1) The Building Commission is the same body as the Building Control Commission, despite the change to its name by section 3(3) of the **Building (Amendment) Act 2001** and no act, matter or thing is to be affected because of that change of name.

-
- (2) On and from the commencement of this section, in any Act or in any instrument made under any Act or in any other document of any kind, a reference to the Building Control Commission is deemed to be a reference to the Building Commission, unless the contrary intention appears.

266 Transitional—Effect of change of membership

S. 266
inserted by
No. 68/2001
s. 15.

- (1) The Building Appeals Board is deemed to be the same body despite the change to its membership made by section 8(1) of the **Building (Amendment) Act 2001**.
- (2) The Building Practitioners Board is deemed to be the same body despite the change to its membership made by section 8(2) of the **Building (Amendment) Act 2001**.
- (3) The Building Advisory Council is deemed to be the same body despite the change to its membership made by section 8(3) of the **Building (Amendment) Act 2001**.
- (4) The Building Regulations Advisory Committee is deemed to be the same body despite the change to its membership made by section 8(4) of the **Building (Amendment) Act 2001**.

271 Transitionals—Building Amendment Act 2012

- (1) Despite the amendments made to section 179A by section 4 of the **Building Amendment Act 2012**, section 179A as in force immediately before the commencement day continues to apply in respect of an inquiry into the conduct of a person, if the registration of the person as a building practitioner was suspended and the suspension was still in effect immediately before the commencement day, whether the inquiry commenced before, on or after the commencement day.
- (2) Section 179A as amended by section 4 of the **Building Amendment Act 2012** applies in respect of an inquiry that was commenced and continuing immediately before the commencement day in relation to the conduct of a person, if the person's registration as a building

practitioner is suspended and the suspension takes effect on or after the commencement day.

- (3) For the purposes of this section, an inquiry commences when the Building Practitioners Board causes a notice to be served under section 178(2) on the registered building practitioner or the person whose registration as a registered building practitioner has been suspended (as the case may be).
- (4) In this section *commencement day* means the day on which section 4 of the **Building Amendment Act 2012** comes into operation.

(a) contain the prescribed information; and

(b) contain any matters, and be accompanied by any documents, prescribed for the purposes of this clause; and

Sch. 2 cl. 1(c)
amended by
No. 71/1995
s. 24.

(c) be accompanied by the fees—

(i) determined by the council in accordance with the **Local Government Act 1989**; or

(ii) in the case of an application to a private building surveyor, determined by the private building surveyor; and

Sch. 2 cl. 1(d)
inserted by
No. 71/1995
s. 24,
amended by
No. 28/2000
s. 17(1).

(d) be accompanied by the appropriate prescribed lodgement fee (if any); and

Sch. 2 cl. 1(e)
inserted by
No. 28/2000
s. 17(1),
amended by
Nos 68/2001
s. 13(2)(a),
66/2004
s. 20(1).

(e) if the relevant building surveyor is required to give a copy of the application to an authority which is a reporting authority, be accompanied by the relevant fees (if any) fixed by the reporting authority under clause 4 for payment to the reporting authority.

2 Building surveyor may request more information

- (1) The relevant building surveyor may require an applicant to provide additional information or documents or to amend the application before the relevant building surveyor deals with or deals further with the application.
- (2) The prescribed time within which the relevant building surveyor must decide an application for a permit—
 - (a) ceases to run at the time when the relevant building surveyor requires the applicant to provide additional information or documents or amend the application; and
 - (b) recommences to run only when the information, documents or amended application are supplied to the relevant building surveyor.

3 Application may be refused if information not provided

- (1) If additional information or a document or an amended application required to be supplied by an applicant is not supplied within the time specified by the relevant building surveyor, the relevant building surveyor may refuse the application.
- (2) Before refusing an application under subclause (1), the relevant building surveyor must give the applicant 30 days notice in writing of his or her intention to refuse the application.

4 Reporting authorities must be consulted

- (1) Subject to this Schedule, the relevant building surveyor must not decide an application for a permit that is required by this Act or the regulations or by any other Act or regulations to be reported on, or consented to, by a reporting

Sch. 2 cl. 4(1)
amended by
No. 28/2000
s. 17(2).

Sch. 2

authority unless the report or consent has been obtained.

(2) Unless exempted by this Schedule, the relevant building surveyor must give a copy of an application to each reporting authority within the prescribed time after the application is received by the relevant building surveyor.

Sch. 2 cl. 4(3)
inserted by
No. 28/2000
s. 17(3).

(3) The relevant building surveyor must forward to a reporting authority with the copy of an application, any fees paid to the building surveyor under clause 1(e) in respect of that application and that reporting authority.

Sch. 2 cl. 4(4)
inserted by
No. 66/2004
s. 20(2).

(4) A reporting authority may fix fees (not exceeding the maximum fees prescribed for the purposes of this clause) for applications or classes of applications referred to it under this Act or the regulations.

Sch. 2 cl. 4(5)
inserted by
No. 66/2004
s. 20(2).

(5) If the reporting authority is a council, the fees must be determined in accordance with the **Local Government Act 1989**.

Sch. 2 cl. 4(6)
inserted by
No. 66/2004
s. 20(2).

(6) A reporting authority other than a council must publish a notice in the Government Gazette of any fees fixed by it under this clause.

Sch. 2 cl. 4A
inserted by
No. 30/2001
s. 7.

4A Reporting authority must have regard to section 188A guidelines in some cases

- (1) This clause applies if—
- (a) a reporting authority is required by this or any other Act or by the regulations to report on, or to consent to, an application for a building permit for a single dwelling, within the meaning of section 188A(4); and
 - (b) the regulations provide that section 188A applies to applications of that kind.

-
- (2) In reporting on, or considering whether to consent to, the application, the reporting authority—
- (a) must have regard to the guidelines for the time being in force under section 188A; and
 - (b) in having regard to those guidelines, if in the opinion of the reporting authority the application may result in a nearby allotment suffering detriment, must give the owner of the allotment an opportunity to make a submission in respect of the possible detriment; and
 - (c) must consider any submission made under paragraph (b); and
 - (d) must refuse to give its consent to the application if the application does not comply with any matter set out in those guidelines.

5 Applicant may obtain report or consent

- (1) An applicant for a permit may obtain a required report or consent from a reporting authority.
- (1A) If the applicant applies for a consent or report to a reporting authority, the application must be accompanied by the relevant fees (if any) fixed by the reporting authority under clause 4.
- (2) An applicant for a permit must notify the relevant building surveyor when the application is made as to whether the applicant has applied or intends to apply for any required report or consent by a reporting authority;

Sch. 2
cl. 5(1A)
inserted by
No. 28/2000
s. 17(4),
amended by
Nos 68/2001
s. 13(2)(b)(i)
(ii), 66/2004
s. 20(3).

-
- (3) The relevant building surveyor need not obtain a report or consent from a reporting authority if the applicant—
- (a) notifies the building surveyor that the applicant has applied for or intends to apply for that report or consent; or
 - (b) supplies the relevant building surveyor with a copy of the report made in the last 12 months or of the consent.
- (4) An applicant who applies for and obtains a required report or consent must supply a copy of the report or consent to the relevant building surveyor—
- (a) when the application for the permit is made; or
 - (b) within any further time that is prescribed or allowed by the building surveyor.

6 What if a reporting authority (other than a council or council officer) fails to supply a report or consent?

- (1) Despite anything to the contrary in the regulations or any other Act or regulations, the relevant building surveyor may proceed to decide an application without a report being obtained if a copy of the report is not supplied by the reporting authority (other than a council or an officer of a council) within the prescribed time.
- (2) A reporting authority (other than a council or an officer of a council) is deemed to have consented to a permit if the authority has not within the prescribed time informed the relevant building surveyor or the applicant of—
- (a) its consent to the application; or
 - (b) refusal of consent and the reasons for that refusal.

-
- (3) An applicant for a permit may appeal to the Building Appeals Board against a failure of a reporting authority which is a council or an officer of a council to inform the relevant building surveyor or the applicant within the prescribed time of—
- (a) its consent to the application; or
- (b) its refusal of consent and the reasons for that refusal.
- (4) The Building Appeals Board must consider an appeal under subclause (3) and may make any order that it considers appropriate in the circumstances.
- (5) This clause does not apply to a responsible authority under the **Planning and Environment Act 1987** in its capacity as a reporting authority for the purposes of section 29A of this Act.
- (6) A reference in this clause to a council, with respect to an application, is to be read as including a reference to any reporting authority that has to comply with clause 4A(2) in reporting on, or considering whether to consent to, the application.
- 6A What if the reporting authority is the responsible authority under the Planning and Environment Act 1987?**
- (1) This clause applies only to a responsible authority under the **Planning and Environment Act 1987** in its capacity as a reporting authority for the purposes of section 29A of this Act.
- (2) Despite anything to the contrary in the regulations or any other Act or regulations, the relevant building surveyor may proceed to decide an application without a report being obtained if a copy of the report is not supplied by the reporting authority within the prescribed time.

-
- (3) Subject to subclause (4), a reporting authority is deemed to have consented to a permit if the authority has not within the prescribed time informed the relevant building surveyor of—
- (a) its consent to the application; or
 - (b) its refusal of consent and the reasons for that refusal.
- (4) A reporting authority is deemed to have refused to consent to a permit if—
- (a) the authority is required under section 29A to refuse its consent; and
 - (b) the authority has not within the prescribed time informed the relevant building surveyor of that refusal.

7 Relevant building surveyor must consider report

- (1) The relevant building surveyor must consider any report of a reporting authority supplied under this Schedule before deciding the relevant application for a permit.
- (2) In deciding an application, the relevant building surveyor must implement the recommendations of a prescribed reporting authority in relation to a prescribed matter.
- (3) Except as provided in subclause (2), the relevant building surveyor is not required to implement any of the recommendations in a report by a reporting authority.
- (4) For the purposes of subclause (2) and without limiting that subclause—
 - (a) a responsible authority under the **Planning and Environment Act 1987** is a prescribed reporting authority; and

- (a) remuneration; and
- (b) travelling or other allowances—

from time to time fixed by the Minister in respect of that member.

3 Vacancies

- (1) A member of a Board may resign from membership by letter signed by the member and delivered to the Minister.

-
- (2) The office of a member of a Board becomes vacant if the member—
- (a) becomes bankrupt¹⁴; or
 - (b) is convicted in Victoria of an offence punishable on first conviction with imprisonment for a term of 12 months or more or is elsewhere convicted of an offence which, if committed in Victoria, would be so punishable; or
 - (c) ceases to hold a position or qualification which made the member eligible for appointment as a member.

4 Application of Public Administration Act 2004

The **Public Administration Act 2004** (other than Part 3 of that Act) applies to a member of a Board in respect of the office of member.

Sch. 3 cl. 4 amended by No. 46/1998 s. 7(Sch. 1), substituted by Nos 108/2004 s. 117(1) (Sch. 3 item 21.4), 80/2006 s. 26(Sch. item 6).

5 Acting members

- (1) If a member of a Board is unable to perform the duties of his or her office, the Minister may appoint a person to act in the place of the member during that period of inability.
- (2) An acting appointment is to be for any term and on any conditions determined by the Minister.
- (3) The Minister may at any time terminate an acting appointment.
- (4) An acting member of a Board has all the functions of the member for whom he or she is acting.

-
- (5) An acting member of a Board is entitled to receive any remuneration or travelling or other allowances fixed from time to time by the Minister in respect of that acting member.
 - (6) The provisions of this Schedule (except clause 2) applying to members of a Board also apply to acting members.

6 Pecuniary interests

- (1) If a member of a Board has a direct or an indirect pecuniary interest in a matter which is about to be or is being considered by the Board, the member must as soon as possible after the relevant facts come to his or her knowledge disclose the nature of the interests—
 - (a) to the Minister, in the case of the chairperson; or
 - (b) to the chairperson, in the case of any other member.
- (2) A member who has disclosed a pecuniary interest in a matter under subclause (1) must not be present while the Board is considering or deciding the matter and must not take part or further part in that consideration or decision.
- (3) An act or decision of a Board is not invalid merely because a member contravenes subclause (1) or (2).
- (4) Subclause (3) does not prevent a member of a Board being removed from office because he or she has contravened subclause (1) or (2).
- (5) For the purposes of this clause, a member of a Board must not be taken to have a pecuniary interest in a matter merely because the member is engaged in the building industry or in any matter connected with that industry.

-
- (6) Without limiting what is a pecuniary interest in a matter for the purposes of this clause, a person must be taken to have a pecuniary interest in a matter relating to a building or building work if the person—
- (a) is or was involved in designing the building;
or
 - (b) has assisted in preparing or making an application for a building permit or occupancy permit for the building or work;
or
 - (c) is the relevant building surveyor in respect of an application for a permit for that building or building work.

7 Membership of Board not office or place of profit

A member of a Board must not, in respect of the office of member, be taken to hold an office or place of profit under the Crown which would—

- (a) prevent the member sitting or voting as a member of the Legislative Council or Legislative Assembly; or
- (b) make void the member's election to the Legislative Council or Legislative Assembly;
or
- (c) prevent the member continuing to be a member of the Legislative Council or Legislative Assembly; or
- (d) subject the member to liability to a penalty under the **Constitution Act 1975**.

PART 2—GENERAL PROCEDURE

8 Building Appeals Board may sit in panels

- (1) For the purposes of performing any of its functions, the Building Appeals Board may be constituted by one or more panels of its members.
- (2) The chairperson of the Building Appeals Board may determine which and how many of its members are to constitute a panel and what proceedings or classes of proceedings are to be allocated to each panel.
- (3) If a panel of two or more members includes the chairperson of the Building Appeals Board, he or she is the chairperson of the panel.
- (4) If a panel of two or more members includes the deputy chairperson but not the chairperson of the Building Appeals Board, the deputy chairperson is the chairperson of the panel.
- (5) If a panel of two or more members does not include the chairperson or deputy chairperson of the Building Appeals Board, the members of the panel may elect the chairperson of the panel.
- (6) If, after a proceeding has commenced before a panel of two or more members, a member of the panel becomes unavailable—
 - (a) if the parties to the proceeding agree, the proceeding may be continued and completed before the remaining members of the panel; and
 - (b) if the member who is unavailable is the chairperson of the panel another chairperson of the panel must be chosen in accordance with this clause.

-
- (7) If the parties do not agree to continue a proceeding under subclause (6) the chairperson of the Building Appeals Board must arrange for the matter to be reconsidered by another panel, and that other panel may have regard to the earlier proceedings.
 - (8) The chairperson of the Building Appeals Board must arrange for records to be kept of the proceedings and decisions of each panel of the Board.
 - (9) Except where this Schedule otherwise expressly provides, a provision of this Part or Part 3 applying to a Board applies to a panel.

9 Decisions not affected by certain matters

An act or decision of a Board is not invalid only because—

- (a) of a defect or irregularity in the appointment of a member or acting member; or
- (b) of a vacancy in its membership; or
- (c) the occasion for the appointment of an acting member has ceased to exist.

10 Meetings

- (1) Subclauses (2), (3) and (5) do not apply to the Building Appeals Board when constituted by a panel.
- (2) At a meeting of a Board a quorum is half the number of the members currently holding office and, if this would not be a whole number, the next highest whole number.
- (3) The functions of a Board may be performed at a meeting at which there is a quorum.

Sch. 3

- (4) At a meeting a decision of a Board is the decision of the majority of the members present and voting at the meeting and if voting is equal, the person presiding at the meeting has a casting vote as well as a deliberative vote.
- (5) The person who is to preside at a meeting of a Board is—
 - (a) the chairperson, if present; or
 - (b) the deputy chairperson (if any), if the chairperson is not present; or
 - (c) a person elected by the members present, if the chairperson is not present and either there is no deputy chairperson or the deputy chairperson is not present.
- (6) Subject to this Act and the regulations, the procedure of a Board is in its discretion.
- (7) If a member of a Board holds 2 or more positions on the Board ex officio—
 - (a) he or she is only entitled to exercise a single deliberative vote at meetings of the Board, regardless of how many of those positions he or she holds on the Board; and
 - (b) for the purposes of determining the total number of members of the Board currently holding office for the purposes of determining whether a quorum of the members is present, all the ex officio positions held by the member are to be counted as one member.

Sch. 3 cl. 10(7)
inserted by
No. 96/2004
s. 22.

11 Authentication of documents

- (1) A document required or authorised to be prepared by a Board must be taken to be authenticated by the Board if—
 - (a) in the case of a document of a panel of the Building Appeals Board, it is signed by the Registrar of the Building Appeals Board and either the chairperson of the panel or the chairperson of the Building Appeals Board; or
 - (b) in any other case, it is signed by the chairperson or deputy chairperson of the Board and the Registrar of the Board or another person employed for the purposes of this Act and designated by the Board for that purpose.
- (2) The production of a document purporting to be a copy of a record of an act or decision of a Board and purporting to be signed by the Registrar is evidence and, in the absence of evidence to the contrary, is proof that a decision in those terms was duly made by the Board or that the stated act was duly done by the Board.

PART 3—PROCEEDINGS BEFORE THE BUILDING APPEALS BOARD

12 Additional powers of Board

This Part is in addition to and does not take away from any other provision of this Act.

13 How to commence a proceeding

- (1) A person may commence a proceeding before the Building Appeals Board by serving on the Board an application, a notice of appeal or a notice of referral of a matter to the Board, as appropriate.

- (2) A document commencing a proceeding—
 - (a) must specify—
 - (i) the nature of the proceeding; and
 - (ii) the grounds for commencing the proceeding; and
 - (iii) the relief sought; and
 - (b) must be in accordance with the regulations (if any).
- (3) The person who serves a document commencing a proceeding must without delay serve a copy of that document on—
 - (a) the decision-maker, if the proceeding is an appeal; and
 - (b) in the case of a matter referred to the Building Appeals Board, any other person with a right to refer that matter to the Board; and
 - (c) in the case of an application for a modification of a provision of the building regulations that relates to a building or land on a register under the **Historic Buildings Act 1981**, the Historic Buildings Council; and
 - (d) any other party concerned.

14 Parties to a proceeding

A person who, under clause 13, is entitled to be served with a copy of a document commencing a proceeding before the Building Appeals Board is a party to that proceeding.

15 Conducting a proceeding

- (1) The Building Appeals Board must give the parties to the proceeding reasonable opportunity to make—
 - (a) oral submissions at a hearing; or
 - (b) written submissions in the case of a proceeding that is not a hearing.
- (2) Sections 14, 15, 16 and 21A of the **Evidence (Miscellaneous Provisions) Act 1958** apply to the Building Appeals Board in relation to a proceeding as if the Board were a Board appointed by the Governor in Council.
- (3) The Building Appeals Board—
 - (a) may proceed by accepting written submissions or by conducting a hearing; and
 - (b) may inform itself in any manner it thinks fits; and
 - (c) is bound by the rules of natural justice; and
 - (d) is not bound by any rule or practice as to evidence; and
 - (e) may conduct a proceeding in private if it considers it in the public interest or the interest of justice to do so, but must otherwise hold its hearing in public; and
 - (f) must proceed with as little formality and technicality and with as much expedition as the requirements of this Act and the regulations and the proper consideration of the matter before it permit; and
 - (g) may proceed with the hearing in the absence of a party to the proceeding if it is satisfied that the party has been given reasonable notice of the date, time and place of the hearing; and

Sch. 3 cl. 15(2)
amended by
No. 69/2009
s. 54(Sch. Pt 2
item 7.1).

- (h) may at any time adjourn the proceeding; and
 - (i) may deal with proceedings or classes of proceedings together if it is satisfied that they relate to the same parties, the same building, land or building work or the same or related subject-matter; and
 - (j) may seek the independent advice of a person to assist it in dealing with the proceeding.
- (4) A party to a proceeding may appear at a hearing before the Building Appeals Board or do anything else in relation to a proceeding before that Board either personally or through an agent.
- (5) The Board must disclose to each party to a proceeding any advice it receives under subclause (3)(j) and give each party a reasonable opportunity to make submissions about that advice before determining the proceeding.

16 Determinations and reasons

- (1) A determination of the Building Appeals Board must be in writing.
- (2) The determination may include any order as to costs that the Building Appeals Board, on the application of a party to the proceeding, considers is just.
- (3) The determination may include any other incidental order or direction that the Building Appeals Board considers is necessary.
- (4) The Building Appeals Board must without delay cause a copy of its determination in any proceeding to be served on each party to the proceeding.
- (5) Within one month after being served with a copy of the Building Appeals Board's determination, or within any further time allowed by the Board, a party to a proceeding may request the Board to

give to the party written reasons for its determination.

- (6) The Building Appeals Board must comply with a request received under subclause (5) without delay after receiving it.
- (7) The Building Appeals Board may make public any of its determinations in any manner it thinks fit.
- (8) The Building Appeals Board is not bound by its earlier determinations.

17 Costs

Unless the Building Appeals Board otherwise determines, a party to a proceeding before the Board must bear his, her or its own costs.

18 Correction of errors

- (1) On its own initiative or at the request of a party to a proceeding, the Building Appeals Board or a panel of the Board may make a determination correcting an earlier determination in which there is—
 - (a) a clerical error or accidental slip or omission;
or
 - (b) an evident material miscalculation of figures;
or
 - (c) an evident material mistake in the description of a person, property or thing.
- (2) The powers of the Board under subclause (1) may also be exercised on behalf of the Board by—
 - (a) the chairperson of a panel of two or more members; or
 - (b) the chairperson of the Building Appeals Board, if the relevant panel or the chairperson of the panel is unavailable.

19 Enforcement of determination

A determination of the Building Appeals Board may be enforced as if it were a judgment or order of a court of competent jurisdiction.

SCHEDULE 4

TRANSITIONAL PROVISIONS

Section 263

1 Definitions

In this Schedule—

former body means any of the following bodies established under the old Act—

- (a) the Building Control Technical Advisory Council;

- (h) any other officer or employee of the public service;

old Act means the **Building Control Act 1981**;

proceeding includes an inquiry, investigation, appeal, reservation of a question of law, dispute, reference or application but does not include an application for accreditation or for a certificate of qualification as a building surveyor or building inspector.

2 General transitional provisions

- (1) This Schedule does not affect or take away from the **Interpretation of Legislation Act 1984**.
- (2) Without limiting subclause (1), in declaring that certain provisions of this Act are to be treated as re-enacting with modifications certain provisions of the old Act, this Schedule must not be taken to—
 - (a) limit the operation of any provision of the **Interpretation of Legislation Act 1984** relating to re-enactment; or
 - (b) be an exhaustive list of the provisions of the old Act re-enacted by this Act.
- (3) If this Schedule provides that a provision of the old Act continues to apply to any matter or thing, then any regulation or other instrument having effect under that Act for the purposes of that provision also continues to apply to that matter or thing.

-
- (4) If—
- (a) a provision of the old Act; or
 - (b) a provision of the Victoria Building Regulations 1983; or
 - (c) a provision of a regulation or instrument referred to in subclause (3)—
- continues to apply to a matter or thing, it continues to apply as in force immediately before that provision was repealed or revoked.
- (5) This Schedule applies despite anything to the contrary in any other provision of this Act.

3 Superseded references

On the commencement of this clause, in any Act (other than this Act or a provision of the old Act continued by this Act), or in any instrument made under any Act or in any other document of any kind—

- (a) a reference to the old Act is deemed to be a reference to the **Building Act 1993**; and
- (b) a reference to the Co-ordinator or Development Approvals Co-ordinator or the Development Approvals Co-ordinating Committee under the old Act is deemed to be a reference to the municipal building surveyor; and
- (c) a reference to building approval in relation to the old Act is deemed to be a reference to a building permit; and
- (d) a reference to a relevant authority in relation to the old Act is deemed to be a reference to a reporting authority; and

Sch. 4

- (e) a reference to a certificate of occupancy in relation to the old Act or the building regulations is deemed to be a reference to an occupancy permit; and
- (f) a reference to the Building Control Qualification Board is deemed to be a reference to the Building Practitioners Board; and
- (g) a reference to a certificate of qualification as a building surveyor in relation to the old Act or any corresponding previous enactment is deemed to be a reference to registration as a building surveyor under this Act; and
- (h) a reference to a certificate of qualification as a building inspector in relation to the old Act or any corresponding previous enactment is deemed to be a reference to registration as a building inspector under this Act; and
- (i) a reference to the Building Control Accreditation Authority is deemed to be a reference to the Building Regulations Advisory Committee; and
- (j) a reference to the Building Control Technical Advisory Council or the Secretary, Building Control Technical Advisory Council is deemed to be a reference to the Building Regulations Advisory Committee; and
- (k) a reference to a Building Referees Board or the building referees is deemed to be a reference to the Building Appeals Board; and
- (l) a reference to the building regulations is deemed to be a reference to the building regulations made under this Act; and

-
- (m) a reference to the Director of Building Control is deemed to be a reference to the Commission; and
 - (n) a reference to the State Building Surveyor is deemed to be a reference to the Commission; and
 - (o) a reference to the approval of a temporary public building under the **Health Act 1958** is deemed to be a reference to an occupancy permit issued under Division 2 of Part 5 of this Act in respect of a temporary structure.

4 Former bodies

- (1) On the commencement of this clause each former body is abolished and its members go out of office.
- (2) Subclause (1) does not affect any other provision of this Schedule—
 - (a) dealing with proceedings before a former body; or
 - (b) providing for the former body to continue for certain purposes.
- (3) If under this Schedule a former body continues for certain purposes the provisions of the old Act relating to membership and procedure continue to apply for those purposes.

5 Former officers

A former officer who, immediately before the commencement of this clause, was a member of staff within the meaning of the **Public Sector Management Act 1992** continues, subject to that Act, as a member of staff within the meaning of that Act, with a position or employment in the Department of Planning and Development corresponding as nearly as practicable to that held immediately before that commencement, on the

same terms and conditions and with the same classification and accrued or accruing entitlements as applied to the person immediately before that commencement.

6 Actions commenced by Director of Building Control

Any matter or thing of a continuing nature commenced under the old Act by the Director of Building Control may be continued and completed on and after the commencement of this clause by the Commission—

- (a) under this Act, if by virtue of the **Interpretation of Legislation Act 1984** or this Schedule, this Act applies to that matter or thing; or
- (b) in any other case, under the old Act.

7 Directions about enforcement of old Act

- (1) A direction in force under section 16(1) of the old Act immediately before the commencement of this clause has effect, on and from that commencement, as if it were a declaration made and published under section 191 in relation to this Act.
- (2) A direction in force under section 16(2) of the old Act immediately before the commencement of this clause in relation to an area declared under the **Alpine Resorts Act 1983** to be an alpine resort has effect, on and from the commencement of this clause, as if it were a declaration made and published under section 192 in relation to this Act.
- (3) On the date of commencement of this clause any reference in the direction to which subclause (1) or (2) applies to—
 - (a) Part III of the old Act is deemed to be a reference to Part 3 of this Act; and

-
- (b) Part VIII of the old Act is deemed to be a reference to Part 8 of this Act; and
 - (c) Part IX of the old Act is deemed to be a reference to Part 7 of this Act.

8 Building approvals

- (1) A building approval or building permit granted under the old Act or a corresponding previous enactment and existing immediately before the commencement of this clause is, on that commencement, deemed to be a building permit issued under this Act.
- (2) An application for building approval made under the old Act and not determined immediately before the commencement of this clause is deemed, on that commencement, to be an application made to a municipal building surveyor for a building permit under this Act.
- (3) Anything done before the commencement of this clause in relation to an application to which subclause (2) applies is, on and from that commencement, deemed to have been done for the purposes of this Act.
- (4) Without limiting subclause (3), a consent, refusal of consent, or condition required in relation to a matter by a relevant authority within the meaning of the old Act in relation to an application to which subclause (2) applies is deemed to be a consent, refusal of consent, or condition required by a prescribed reporting authority under this Act in relation to a prescribed matter.
- (5) If under section 20A of the old Act the Minister has appointed a person to act in place of a relevant authority in relation to an application to which subclause (2) applies, a consent, refusal of consent, or condition required in relation to a matter by that person has effect for the purposes

of this Act as if the person were a prescribed reporting authority and the matter were a prescribed matter.

- (6) A levy is not payable under Division 2 of Part 12 in respect of an application to which subclause (2) applies.

9 Requirements before a building can be constructed

- (1) Sections 21A and 21B of the old Act continue to apply to a building in respect of which application for building approval has been made but not determined or lapsed before the commencement of this clause.
- (2) Section 21C of the old Act continues to apply to an application for review in respect of action taken under section 21A of that Act, whether the action is taken before or after the commencement of this clause, and the Building Appeals Board has no jurisdiction to hear those applications.
- (3) Section 21C of the old Act continues to apply to an application for review in respect of action taken under section 21B of that Act, if the application was made before the commencement of this clause, and the Building Appeals Board has no jurisdiction in respect of those applications.
- (4) The Building Appeals Board has jurisdiction to consider and determine an application for review in respect of action taken under section 21B of the old Act, whether the action is taken before or after the commencement of this clause, if the application for review was made on or after that commencement.
- (5) The provisions of this Act relating to appeals against a refusal of a building permit apply, with any necessary modifications, to an application referred to in subclause (4).

10 Continued immunities

- (1) Section 22 of the old Act continues to apply where—
 - (a) a building approval was granted under the old Act before the commencement of this clause in respect of land liable to flooding; or
 - (b) an exemption has, before that commencement, been granted from any requirement of the building regulations within the meaning of the old Act.
- (2) Section 80 of the old Act continues to apply to the former members and the former Registrar of the Building Control Accreditation Authority in respect of anything done by that Authority, a member of that Authority, an Advisory Committee to that Authority or the Registrar before the commencement of this clause.

Sch. 4 cl. 11
repealed by
No. 34/1997
s. 30(e).

12 Certificates of occupancy

- (1) A certificate of occupancy issued under the Victoria Building Regulations 1983 or under any corresponding previous regulations and in force immediately before the commencement of this clause is deemed, on and from that commencement, to be an occupancy permit issued under Division 1 of Part 5 of this Act, and may be amended or cancelled accordingly.
- (2) Despite anything to the contrary in the old Act or the regulations under it or in the **Interpretation of Legislation Act 1984**, a person who commenced building work more than 3 years before the commencement of this clause cannot, on or after the commencement of this clause, be charged with

an offence because he or she was required to obtain a certificate of occupancy in respect of that building work and did not do so.

- (3) If the municipal building surveyor has received a notice under regulation 6.3 of the Victoria Building Regulations 1983 but has not issued a certificate of occupancy before the date of commencement of this clause, the municipal building surveyor may issue a certificate of occupancy in respect of that building on or after that commencement under those regulations.
- (4) If a municipal building surveyor has received advice under regulation 6.5 of the Victoria Building Regulations 1983, and has not revoked the existing certificate of occupancy under those regulations, that certificate of occupancy may be revoked and a new certificate of occupancy may be issued under those regulations on or after the commencement of this clause.
- (5) If a person has commenced building work 3 years or less than 3 years before the commencement of this clause but, at that commencement, has not obtained a certificate of occupancy in respect of that building work—
 - (a) a certificate of occupancy may be obtained on or after that commencement under the old Act and the Victoria Building Regulations 1983 in respect of the building work; and
 - (b) the old Act and the Victoria Building Regulations 1983 apply to any failure by that person to obtain a certificate of occupancy in respect of the building work whether before or after that commencement.

-
- (6) A certificate of occupancy issued after the commencement of this clause under subclause (3), (4) or (5) is deemed to be an occupancy permit under Division 1 of Part 5 of this Act.
 - (7) Subject to this clause, on and from the commencement of this clause—
 - (a) no further certificate of occupancy can be issued under the Victoria Building Regulations 1983; and
 - (b) a certificate of occupancy cannot be revoked under those regulations.

13 Instruments and other matters under the building regulations

- (1) Clause 11 and the amendment of the old Act do not affect the continuity of any instrument issued or served, or thing done, under the building regulations under the old Act before the commencement of this clause.
- (2) If—
 - (a) a matter can be dealt with by issuing a building notice, building order or emergency order under Part 8 of this Act; and
 - (b) the Victoria Building Regulations 1983 provide a mechanism for dealing with that matter (whether by notice, direction, requirement or otherwise)—that mechanism cannot be used to deal with that matter on or after the commencement of this clause.
- (3) A notice served under regulation 57.1 or 57.2 of the Victoria Building Regulations 1983 is deemed, on the commencement of this clause, to be an emergency order under Part 8 of this Act.

Sch. 4

- (4) A notice served under regulation 3.2(1) or 57.3 of the Victoria Building Regulations 1983 is deemed, on the commencement of this clause, to be a building notice under Part 8 of this Act.
- (5) A notice issued under regulation 3.2(3) of the Victoria Building Regulations 1983 is deemed, on the commencement of this clause, to be a building order under section 111 of this Act.

14 Building actions

Division 2 of Part 9 does not apply to building work commenced before the commencement of this clause or to building work for which an application for building approval was made before that commencement.

Sch. 4 cl. 15
repealed by
No. 46/2008
s. 271.

16 Building referees—proceedings

- (1) If—
 - (a) under a provision of the old Act continued by this Act or under the building regulations under the old Act, there is a right to commence a proceeding before a Building Referees Board; and
 - (b) a Building Referees Board has not commenced to hear the matter at the date of commencement of this clause; and
 - (c) at the date of commencement of this clause the time within which that proceeding may be commenced has not expired—

that proceeding may be commenced before the Building Appeals Board, which must conduct and determine the proceeding in accordance with the

old Act and for that purpose has all the powers of a Building Referees Board.

- (2) If a person has a right to commence a proceeding referred to in subclause (1)(a) and, at the date of commencement of this clause, a Building Referees Board has commenced to hear the matter, the Board must continue and complete the proceeding in accordance with the old Act.
- (3) Any document lodged with a Building Referees Board in relation to a proceeding to which subclause (1) applies is deemed to have been lodged with the Building Appeals Board.
- (4) The old Act continues to apply in relation to the reservation of questions of law for the opinion of the Supreme Court in proceedings referred to in subclause (1) or (2).
- (5) A determination made on a proceeding referred to in subclause (1), (2) or (4) must, where appropriate, be expressed so that it can be given effect to under this Act, and must be given effect to accordingly.

17 Agreements required by determinations

If, before or after the commencement of this clause, an agreement has been entered into in accordance with—

- (a) a determination of a Building Referees Board under the old Act; or
- (b) a determination of a Building Referees Board or the Building Appeals Board in a proceeding referred to in clause 16—

this Act applies to the variation or release of the agreement as if it had been made in accordance with a determination under Part 10.

18 Accreditation

- (1) Anything which, immediately before the commencement of this clause, was for the time being accredited by the Building Control Accreditation Authority is deemed to be accredited by the Building Regulations Advisory Committee for the purposes of this Act.
- (2) An application for accreditation pending before the Building Control Accreditation Authority immediately before the commencement of this clause is deemed to be an application for accreditation made to the Building Regulations Advisory Committee, and may be determined by that Committee accordingly.

19 Building surveyors and inspectors

- (1) A person who, immediately before the commencement of this clause, holds a current certificate of qualification as a building surveyor issued or deemed to have been issued under the old Act is deemed to be registered under Part 11 of this Act as a building surveyor.
- (2) A person who, immediately before the commencement of this clause, holds a current certificate of qualification as a building inspector issued or deemed to have been issued under the old Act is deemed to be registered under Part 11 of this Act as a building inspector.
- (3) If a certificate of qualification referred to in subclause (1) or (2) was suspended immediately before the commencement of this clause, the deemed registration of the person concerned is suspended for the remainder of that period of suspension.

-
- (4) The Building Qualifications Register existing under the old Act immediately before the commencement of this clause is deemed to form part of the Register of Building Practitioners.
 - (5) A person deemed to be registered by this clause may apply to the Registrar of the Building Practitioners Board for a building practitioner's certificate. The application must include written proof that the applicant is covered by any insurance required under Part 9.
 - (6) Without delay after receiving an application in accordance with subclause (5), the Registrar of the Building Practitioners Board must issue the applicant an appropriate building practitioner's certificate in accordance with Part 11.
 - (7) No fee is payable for the issue of a building practitioner's certificate under subclause (6).
 - (8) A building practitioner's certificate issued under subclause (6) remains in force for 12 months after the date of its issue.
 - (9) A reference in Part 11 to the anniversary of the registration of a person under that Part is deemed to be a reference to the anniversary of the date of issue of a building practitioner's certificate under subclause (6) in relation to a person deemed to be registered under this clause.
 - (10) An application made to the Building Control Qualification Board before the commencement of this clause but not determined at that commencement is deemed to be an application made to the Building Practitioners Board for registration under Part 11 of this Act.

20 Proceedings—Building Control Qualification Board

- (1) If before the commencement of this clause the Building Control Qualification Board had begun to hear a proceeding but had not made its determination at that commencement, it may continue and complete the proceeding in accordance with the old Act.
- (2) If before the commencement of this clause a proceeding has been commenced before the Building Control Qualification Board but at that commencement the Board has not begun to hear it, the Building Practitioners Board may hear and determine the proceeding in accordance with the old Act.
- (3) If—
 - (a) before the commencement of this clause a person has appealed to the County Court against a decision of the Building Control Qualification Board and at that commencement that appeal has not been determined; or
 - (b) the time within which a person may appeal to the County Court against a decision of that Board has not expired at that commencement—that appeal may be commenced, continued and completed in accordance with the old Act.
- (4) In a proceeding to which this clause applies the determination must be expressed so that it can be given effect to in the Register of Building Practitioners, and the Registrar of the Building Practitioners Board must give effect to that determination accordingly.

21 Offences by unregistered people—exemptions

An approval in force under section 127A(2)(d) of the old Act immediately before the commencement of this clause is deemed to be an exemption under section 176(5)(b) of this Act.

22 Fire protection

- (1) Subject to this clause, Part VIII of the old Act continues to apply to a building if, before the commencement of this clause, a joint report or fire protection notice has been issued or an order has been made under that Part.
- (2) Part VIII of the old Act ceases to apply to a building if a building notice, building order or emergency order under Part 8 of this Act is issued for that building.
- (3) Part VIII of the old Act ceases to apply to a building at the end of twelve months after the day on which action was last taken by the council or the municipal building surveyor under that Part in respect of the building.

23 Arbitration

- (1) Part IX of the old Act continues to apply to—
 - (a) an application made before the commencement of this clause for determination by the Director of Building Control; and
 - (b) the referral, on or after that commencement, of a determination or application for a determination under that Part to arbitrators appointed in accordance with that Part, if the application or determination was made before that commencement; and
 - (c) a matter which, before that commencement, has been referred to arbitrators under that Part; and

(d) any other proceeding before arbitrators under that Part begun before that commencement.

- (2) A proceeding or matter to which subclause (1) applies may be continued or completed in accordance with Part IX of the old Act.

24 Temporary public buildings

- (1) An approval which, immediately before the commencement of this clause, is in force under Part XI of the **Health Act 1958** for a temporary public building is deemed to be an occupancy permit issued under Division 2 of Part 5 in respect of a temporary structure, and may be amended or cancelled accordingly.
- (2) An occupancy permit deemed to be issued by subclause (1) lasts for five years from the date of commencement of this clause and is subject to the conditions set out in section 57 of this Act.
- (3) A building notice or building order may be issued under this Act if, before the commencement of this clause, there has been a failure to comply with Part XI of the **Health Act 1958** or a regulation made for the purposes of that Part.

25 Delegations

A document evidencing a resolution in force under section 163 of the old Act issued before the commencement of this clause is deemed to be an instrument of delegation under section 98 of the **Local Government Act 1989**.

26 Re-enacted provisions

A provision of the old Act specified in Column 1 of the Table is deemed to be re-enacted (with modifications) by the provision of this Act appearing opposite in Column 2 of the Table.

SCHEDULE 6

**TRANSITIONAL PROVISIONS RELATING TO THE
BUILDING (PLUMBING) ACT 1998**

**1 Plumbing Industry Commission is the successor of
the Plumbing Industry Board**

- (1) The members of the Plumbing Industry Board cease to hold office.
- (2) The Plumbing Industry Commission is the successor in law of the Plumbing Industry Board.
- (3) Any reference to the Plumbing Industry Board in any Act, subordinate instrument, agreement or other document as far as it relates to any period after the commencement of this section is to be treated as a reference to the Plumbing Industry Commission, unless the contrary intention appears.

2 First Plumbing Industry Commissioner

The person who is the Chairperson of the Plumbing Industry Board immediately before the date section 20 of the **Building (Plumbing) Act 1998** came into operation is to be the Plumbing Industry Commissioner until the date that person's appointment as Chairperson was due to expire and is to continue to have the same terms of employment.

3 Transitional provision for refrigeration mechanics

- (1) In this clause *refrigeration work* means the manufacture, installation, maintenance or repair of refrigeration, ventilation or air conditioning plant or equipment.
- (2) This clause applies to a person who carried out any refrigeration work at any time in the 12 months immediately before the date that

section 8 of the **Building (Plumbing) Act 1998** came into operation.

- (3) Despite Part 12A (as amended by section 8 of the **Building (Plumbing) Act 1998**), a person to whom this clause applies may continue to carry out refrigeration work without being registered or licensed under that Part—
- (a) for 12 months after the date section 8 came into operation; or
 - (b) if the person applies before that 12 month period expires for registration or a licence that will enable her or him to carry out refrigeration work—
 - (i) until the Commission grants the registration or licence; or
 - (ii) if the Commission refuses to grant the registration or licence—
 - (A) if the person does not apply to the Victorian Civil and Administrative Tribunal for a review of the refusal, until 21 days after the person is given notice of the refusal in writing; or
 - (B) if the person applies to the Victorian Civil and Administrative Tribunal to have the refusal reviewed, until the Tribunal gives its decision to the person in writing or the person abandons the application for review.

4 Building Advisory Council

The Building Advisory Council is deemed to be the same body despite the change to its membership made by section 4(1) of the **Building (Plumbing) Act 1998**.
